Mr. A. L. Pitassi,

My Dear Mr. Pitassi:

The window was installed today and I had my first view of it. I am anxious to see it again tomorrow when the sun is shining on it. It is lighter than the other one and looks good. The Fathers like it very much. So my first impressions of it are alright and I believe all will be pleased with it. Enclosed find check for \$397.47 and receipt for freight.

Let me hear how the other windows are progressing.

Father Felix, O.S.B., of St. Vincent's, Latrobe, Pa., wrote me that he did not receive his medal yet. Kindly send it to him.

Sincerely

Father Aloysius, O.S.B.
