Dear Sir:

I have your letter in regard to the \$472.75, and enclosed please find check in this amount. Please send us invoice as you did for the other checks.

I want you to arrange to send enough putty of the proper kind with your order, and we will be glad to pay for same.

I am not in as much of a hurry for the 13 aisle glass as I am for the balance, and I will advise you further regarding the shipment of the aisle windows. I would like to get the others now, however. *Rush*
