Mr. A. L. Pitassi,
Pehn Ave.,
Pittsburgh, Pa.

Dear Sir:

I have your letter before me to Father Michael, dated July 30th, and as stated to you in my letter sent you yesterday, I am in a hurry for all of the windows except the aisle windows.

I am planning to go to Europe, and will be gone for about six weeks, and I do not believe I want these aisle windows shipped until I return; however, I will not be leaving until the 24th, and will be back about the last of September. Please think it over and advise me if you can ship the other windows in case we decide to put the aisle windows off.

Very truly yours,

J. F. GALLIVAN
