Miss Pitassi,  
5348 Penn Ave.,  
Pittsburg, Pa.

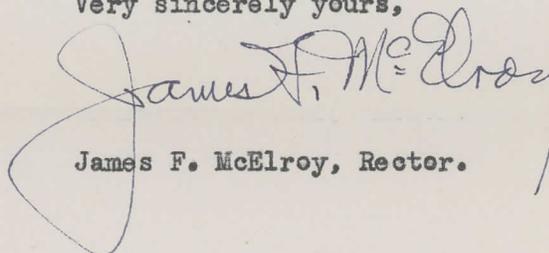

Dear Miss Pitassi:

We shall look forward to seeing you September 10th. I would suggest that you meet me at my office in the Parish House next door to the church at 9:00 A.M. We could then go into the church, and you would have some time to see exactly what is to be done.

At noon we shall plan to have lunch with the committee at the Willard Hotel, and from there will go to Mr. Lawrence Bellman's office where drawings etc. would be available, and where we could have a general conference on the whole subject.

If this plan is agreeable to you, I shall be happy to see you at my office at 9:00 A.M. September 10th.

Very sincerely yours,

  
James F. McElroy, Rector.
