Dear Pitsassi: -

Yours received happy to learn that you have done so well and are pleased with the results; glad you are feeling well, at the end of the job I will have Father Cornelius send you the money as requested and when all windows are in place you will be paid promptly.

I am going to Richmond tonight will be there all this week - and hope to come on to Pittsburgh - probably before you ship the last windows - Dedication has been set back to August 6th Tuesday - this is definite.

You did not mention the two Circle windows one St Scholastica's Shrine one St Benedict's Shrine - just at the Sanctuary end of the long side aisles - a spot of Rich Color will be attractive in these - please include these. Will send you a blue print suggestion of the design of St Benedict's medal from the Beuron School of Art.

I expect to go to the Hospital to have my eye attended to this leaves me indefinite as to dates, but I want you to come to Richmond - to Winston Salem - Pinhurst and Belmont - J. Michael
