Dear Sir;

The windows have arrived and are completely installed. They match up very nicely with the other ones on the South Aisle. I am well pleased with the work and I think it gives us a good foundation; the main windows being done very artistically make the rest of the work so much more easy.

I am sending you a check for final payment on this triple group just installed. On April 28 mailed check for \$2000.00

On May 20, mailed check for \$2000.00

Paid freight 9.85

Check herewith inclosed 2290.15

\$ 6300.00

The measurement of the confessional window is 26½ in. daylight size. width.

I am

Yours truly

Father Klase.
