My dear Mr. Pitassi,

Under separate cover I am sending you a pattern of sanctuary windows. I shall want six of them, blue predominating. You quoted for each window, 2'-0" x 5' 0" \$125.00 each with emblems included. I would like to have these glasses in place as soon as possible, but I don't want haste to prevent the production of the best glass possible.

The emblems might well be of six of the Sacraments, the altar and tabernacle representing the seventh. Thus, for Baptism, a baptismal shell, from which water is being poured

Confirmation - A dove and underneath
two hands, as if being imposed
or thumb extended, as if to anoint
with hands as if imposed

Penance - ~~XXXX~~ right hand lifted, as if in
blessing

Unction - anointing ~~XXX~~ forehead of a
sick person or oil stock with
O. I. on it

Orders - Chalice and stole and book

Matrimony - Two hands joined, with circle
and rays

You may have some better ideas; symbols connected with St. Paul the Apostle would do.

Please advise me when I might expect these windows.

Yours sincerely,

Franco J. Ferri
