Dear Rev. Blackard,

I have yours of the eleventh at hand. May I suggest that I come to Charlotte to see you and bring all the information desired?

I feel that a personal contact should be established which will be of value in the future as the work develops.

As you will have a close interest in these matters, I should like to discuss certain points with you that will avoid unnecessary correspondence in the future.

Would you kindly advise me when it will be most convenient for you to see me?

In awaiting your favorable answer, I remain,

Sincerely yours,

A. L. Pitassi
