REV. JAMES F. McELROY, RECTOR

Dear Miss Pitassi,

Many thanks for your letter of August 16th. I was very sorry to learn of the death of your father. We regarded his work very highly, and looked forward to association with him.

We, however, will be glad to meet with you on September 10th. I would appreciate receiving word from you as to the time of your arrival in Toledo so that we can set a definite time of meeting.

Incidentally if you can let us know of any work which has been done by your studio which has been designed and executed since your father's death, we would appreciate that too.

We shall look forward to meeting you.

Very sincerely yours,
James F. McElroy
