Mr A. L. Pitassi

Pgh. Pa

Dear Pitassi:

I am mailing this morning paper patterns for all the windows in the Home Church. I do not know which window Father Cassidy has ordered but you can pick it out of the lot and take good care of the others. The metal vents are all now in place all you need do is fill them with glass.

This Church is not far out of the City of Atlanta and ought to be a good add for future business. I know you will do your best at any rate.

With kind regards.
