Mr. A. L. Pitassi.

My Dear Mr. Pitassi, In my letter today - I thought only of the mistake in the name of the isle window and did not tell you how much I liked the windows. They are very beautiful and I am well satisfied with them. The B.V.M. side altar window is the most beautiful window I ever saw.

Now you are making the St Joseph window for the other side altar. I hope that will be as grand. The name on the St Joseph's window at the bottom is
K. of C. Piedmont Council 939.

Just those words, don't
put donated. Just put
the inscription
K. of C. Piedmont Council
939

I want you to make
another ~~side~~ aisle window
This is the 5th one ordered.
3 are in, one is to come
shortly & this one I am
ordering now. I will give
you the name with in a
week. I haven't it yet, but
begin to make it & try and have
this & St Joseph's ready in
three weeks.
Please try & fix the wrong name
on this window here. It must
be Frances Payne Darr.
Yours sincerely
Jerome Finn

Mr. A. L. Petassi,

My Dear Sir, The three
side windows and the A.M.
window are here.

You made a big mistake
in the name of one of the
side windows.

This name should be
in memory of Frances
Payne Darr. and you
have on the window Francis
Darr Payne. No i in Francis
it must be an e, she is a
woman. Her last name
is Darr & middle name
Payne. So the panel must

be Frances Payne Darr,
and you will have to
correct the mistake and
put it correct. I would
rather have this name
panel right than any
other. So send some instructions
on how to fix it. The window
is in, but the lower part
must come out and the
name corrected

Now for future windows if
you have any doubt about the
name plate please ask me
to get it correct.

Let me hear at once from
you.
Yours
Jerome Finn
