Mr. A. L. Pitassi,

Pittsburg, Penn.

Dear Sir:

We have your letter of August 13, and we will furnish our foremen, who are setting these windows, with a copy of your letter in order that your directions may be carried out carefully.

We note what you said about requesting a check, and if you will send us an invoice for what you think you should have at this time, we will have same approved by Father Michael and remit same to you.

We will handle this account during Mr. Gallivan's absence, so you need have no concern about that.

Yours very truly,

Gallivan Construction Company,

Treasurer.
