REV. JAMES F. McELROY, RECTOR

Dear Miss Pitarsi,

Many thanks for the sketches of the aisle window.

We like them. Please send me as quickly as possible your price for this window. I believe as soon as I get the price I shall be able to expedite placing the order.

We are also ready to go ahead with the two small windows at the west end (Peter and Mark) as soon as you can send us the sketches for final approval. I have talked Mr. Falmadge into agreeing that it doesn't make too much difference which way you have St. Peter face. Think you can stick to your original sketch unless you have already reversed them,

Hastily,  
 Jim McElroy
