

To Mr. Trygve Lie,
Secretary General of the United Nations,
Lake Success.

Dear Sir,

I, the signed underneath, Wejnberg Regina,
inmate of the camp 538 in Wetzlar a/d Lahn,

U.S.A. Occupation Zone in Germany, do apply to you to transmit
my following request to the meeting of the United Nations which
will consider the problem of Palestine.

During the World War II I have had suffered in the
German Nazi camps. There the Nazis killed before my eyes all
of my dearest and nearest. The victory over Nazi-Germany
brought the liberation of all oppressed nations but for the
Jewish people. 21 months after the victory I still am in a
camp in Germany, among the murderers of my family.

The only refuge where I will be able to carry a
normal and free life - is my old native country - Palestine.

From the deepness of my grievous and tortured soul
I am applying to you, United Nations of the World, which has
the task to bring freedom in the spirit of the Atlantic
Charter as a result of the victory over the greatest tyranny
in the history:

Take me away from the camp, let me join my brothers
and sisters in Palestine, give me the possibility to begin
a peaceable and normal life in my own country.

April, 25th, 1947

Yours respectfully

Wejnberg
