

and act on your own. This letter will probably reach you after you started your journey. It would be awful if you weren't able to come at all!

Perhaps, and this is what I hope, you got the letter that Dr. Precht carried with him, and I hope the letter helped you to make a quick decision to come as soon as possible. Maybe my telegram could have had the same effect?! That would've been beautiful!

Please send my regards to everybody, and let me kiss you.

Yours, Butz.

Why haven't I heard anything about Loes? Do you know how he's doing?
