33 LISTED AS MEMBERS OF THE CLASS of 1950

With 33 pupils scheduled to receive diplomas and certificates on the night of graduation, the North Fork Union School will have the largest graduation class in the long history of the school.

By Monday evening all work will have been finished and the 33 pupils will be ready to receive their awards for the days in the grammar school.

The graduation will be at 8:00 P. M. in the school auditorium, which will be decorated by the class Mothers for the happy occasion.

Special musical selections by the members of the class of current year are under preparation for the event of graduation.

Clothes for commencement have been chosen by the potential graduates to harmonize with their class colors of silver and national blue.
