# 1955 SUMMER RECREATION ENDS AS 1955-56 SCHOOL TERM BEGINS

With an average daily attendance of seventy-six for the summer, the Recreation Center closed for the season on September 11, 1955.

On September 12, 1955 the 1955-56 school session began, and the enrollment for September has reached a total of two hundred and forty-eight, which is an increase of approximately fifteen percent over the similar period of last year.

New persons on the school staff this year are: Misses Shirley Ford and Darlene Dowdle who were added to the teaching staff, while Fred Glock and I. J. Hastings were added to the maintenance and operation group.

Miss Dowdle takes the place of Mrs. Richie who is at home and Miss Ford replaces Mrs. Priest who is also at home. Mr. Glock takes the place of the late Mr. Dean and Mr. Hastings fills the vacancy created by the leaving of Mr. Homan who went to King City. Mr. Morgan is now the school mechanic and Mr. Hastings replaces Mr. Morgan as Driver and maintenance man.
