## LETTERS To The Editor

Dear Editor:

I would like to thank you and your staff for all you have done for Garfield and the Garfield Messenger this past year. Without your help and cooperation it is doubtful that we would have had a school newspaper.

I hope that you will be able to continue publishing the Messenger for the 1972/73 school year. It has been to our advantage to have a member of the community publish our newspaper. Your understanding of community problems and of school issues has been most helpful.

Thank you for help-

ing us to have a successful school year.

John Preston

Dear Editor:

May I express my great appreciation to you for the editorial which appeared in the May 4 edition of the Medium.

We are grateful for the stand you have taken by not accepting advertising which you feel would be damaging to your paper and particularly to the community you serve.

HAS THREE DAY FLING

The International Baptist people of Elks of the World held a banquet, musical, musical contest, fashion show and grand ball last week at the Sherwood Inn in Tacoma.

The Master of Ceremony Ms. Mable Roberts gave a splendid introduction and commentary on the Elks and how exciting it was to be so involved in an organization which had so much to do with the Youth of our community.

The Fashions were magnificently arrayed and spanned design patterns from Hot pants suits to formal female attire.

The entertainment was given by the "Rivers of Love", led by a dynamic fourteen year old young man named Daryl Lockhart. Lockhart on piano and organ, along with a little vocalizing led the Rivers of Love. The bass player is Bruce Lockhart. Lead guitarist is Dennis Wilcox, drums-Anthony Williams and vocalist are Rick Lockhart and Deanna Levias.

Lockhart won the musical contest with a rendition done alone on piano and was awarded a fifty dollar check and a trip to St. Lewis for the national finals.

NEWARK (NBNS)---The first black mayor of a major Eastern city has endorsed Sen. George S. McGovern for the Democratic presidential nomination. Mayor Kenneth A. Gibson joined a growing group of prominent black figures swinging to the McGovern camp, despite the popularity of Senator Hubert Humphrey in the black community and the continuing presidential candidacy of New York Congresswoman Shirley Chisholm.

## SLC Plans Resurrection City No. 2

ATLANTA (NBNS) -- The Southern Christian Leadership Conference (SCLC) has begun recruiting people to make up "Resurrection City No. 2" at Miami Beach during the Democratic National Convention this July.

The effort will seek to dramatize the plight of the nation's poor, as a successor to the "Resurrection City" in Washington which climaxed the 1968 poor people's march on the nation's capital.
