

HOROSCOPE (NNPA)

JANUARY 14 - 20, 2010

ARIES

This could turn out to be the most argument-filled week you've had for a while. Your feelings could be deeply hurt if you try to force your sense of rightness off on anyone else. Chill. Remember that in the past when people were cantankerous you could find pleasure in nature, or animals. Soul Affirmation: I put my charm to work for me this week.

TAURUS

Your good will and intentions towards others will reap you an inheritance of abundance and wealth. You will be blessed with many good wishes and enjoy them in the company of family and friends. Soul Affirmation: I

appear to others what I know myself to be.

GEMINI

Your dignity and composure is a sure asset this week. Be Mr. or Ms. Cool Breeze. In touchy situations you have the ability to maintain a high level of emotional balance and a calm disposition. Use these qualities to the fullest this week. You have the know-how to re-direct negative feelings into a positive solution. Soul Affirmation: Superficiality is often the best route to clarity.

CANCER

Start this week to make a difference for tomorrow. You can determine the prosperity of your future by making

difficult decisions in the present. Rearrange your priorities and decide what are the important things to you. Make a list. Write them down and act on it now! Soul Affirmation: As chances come around again. I take advantage of them.

LEO

You are often superb at exercising good judgment and rational decision-making. Yet sometimes you are rash. Flip to the observant side of your mentality this week. You will soon find yourself in a situation where there will be strife if you are not careful. Soul Affirmation: A cheerful soul should be wrapped in a cheerful package.

VIRGO

Just to prove to yourself once again how lucky you are you should fly into the face of bad predictions. Gamble this week in business, relationships, love -something. Remain truly confident that things will come out in a way that will satisfy you. Soul Affirmation: Change is my middle name.

LIBRA

Move through your social environments and festive occasions this week without stopping even for a little while to listen to rumors. Rumors are often untrue. And for goodness sake believe only good things about friends and your lover. Soul Affirmation: I keep my eyes open for business opportunities this week.

SCORPIO

Keep focused. Your energies are likely to be spread out this week. Your attention is likely to be pulled in many

directions. Let yourself be seduced by the things that interest you most. Concentrate on your affairs. Others need you, but they can wait. Soul Affirmation: I find a source of strength in someone I love.

SAGITTARIUS

Being stubborn won't get the job done. Work with others so they can work for you. Your ideas are not always the best ideas, so don't push them too hard this week. You might find yourself in an awkward position with no allies. Give in to your emotional needs and don't be afraid to let you guard down. Soul Affirmation: I let go and let the spirit take control.

CAPRICORN

Your self-confidence is making you glow all over! People are attracted to your outlook this week, and you may be deluged with offers. Some may not be sincere, but trust your fabulous instincts and

you'll pick and choose what's real for you. Soul Affirmation: Clinging to the old will inhibit my growth this week.

AQUARIUS

Find motivation within yourself to complete a task that has been hanging around too long. You will want to play later in the week, and you'll feel happier then with a clear mind. Remember that you're the boss of your emotions. Soul Affirmation: My imagination is the source of my happiness.

PISCES

This week will bring a tendency to dwell on a past betrayal. Your feelings of suspicion are well founded. However, do not personalize it. Work against the harmful act but not against the person who committed it. Soul Affirmation: I am what I consistently do.
