Golfers

ATTENNTION! ATTENTION! Attention all golfers, would be golfers, want to be golfers, thinking about being a golfer and those persons interested in the game of golf. FSGC will host its Annual Membership Drive Social this Saturday, December 17th at the new and exciting Garfield Community Center. Join us for refreshments and lots of information about FSGC; its history, why you and your family should join FSGC, new direction information and if nothing else come see who we are. We have a non-golfers membership for those who want to volunteer and a reduced fee for seniors.

FSGC is unique in that we will teach all new golfers both adults and juniors how to play. Juniors must be between the ages of 7 and 17 and their parents do not have to be members of the club. In addition, the junior program provides clubs and frequently balls that are donated by the adult members. All they need is shoes and from the beginning athletic shoes will do! So after all that information, there is no reason why you and your entire family should miss this great opportunity to join us at Garfield Community Center next Saturday from 6 PM to 10 PM. See you then!!! The winter months are the best time to shop for golf equipment and clubs made an excellent holiday gift for those who have expressed an interest in the game of golf. Also, for the avid golfer they can always use the basic things such as balls, caps, towels and gloves. So be nice, make a happy golfer happier this holiday season. And remember, Golf is a game of honesty and integrity so....."If you can't be a good sport and occasionally lose, try bobsledding!"

Mann Bits & Pieces

By Dave Mann

It's shoot out time down in the **Tacoma Dome.** This week starting tonight Wednesday, the hot playing Sonics are living up with **Portland** and **Orlando.** This match-up represents three of the best clubs in the **NBA.** The **Blazers** from down south on I-5 brings guest to the party named **Buck Williams, Rod Strickland** and **Clyde Drexler.** The other quest come in the shape of a 7'2" 270 pound giant named **Shaquille O'Neil.**

By the time you read this article, I'm afraid all **tickets** to these **games will be** sold. Of course there are always **scalpers** outside the Dome trying to make room rent, so give them a play.

Look who's in town this Sunday. The hated or loved **Los Angeles Raiders.** The **8-6** Raiders will take on the **6-8** Seahawks in the Kingdome. The Seahawks will line-up against the favored red hot **Raiders** without the services of defensive back **Eugene Robinson** and Offensive Lineman **Ray Roberts.**

Also applied to the **Seahawks** list of injured warriors were **Terrance Warren** with a knee sprain tackle **Mike Keim** with a strained hamstring; and ; and wide receiver **Michael Bates,** who the team feared might have suffered his third concussion of the season.

How about the running of **Chris Warren** last Sunday, not only did Seattle run a whopping 50 times for 266 yards - **Warren** had his best daycare carring the ball, **30** times for **185** yards - after this Sunday's encounter with the **Raiders,** the Seahawks will fill out their **16 games** slate on the road against a powerful **Cleveland** team - just wondering are we going to have major league baseball in 95 or not?
