

HOROSCOPE (NNPA)

JANUARY 15 - JANUARY 21, 2009

ARIES

You want a comrade who doesn't place inordinate expectations or demands on you, and who is creative, intelligent, a good conversationalist, and highly spiritual. Perhaps you should be out looking this week with eyes wide open! Soul Affirmation: Cooperation with others is the key to success for me this week.

TAURUS

Work calls and you are not completely happy with current divisions of labor. Do your part as a member of the team and you'll be glad that you did. Others will notice that you are a committed team player. Soul Affirmation: I master life by

mastering myself.

GEMINI

Business looks good this week as you discover a new way of increasing exposure to your product. Let hope and optimism lead you into new beginnings and fresh starts. All vibes are good. Go! Soul Affirmation: I enjoy flirting with new ideas.

CANCER

You seem preoccupied this week and it's because your mind is filled with a vision of love for the entire planet. Use your gifts to assist others in seeing the world as you do, in glorious color. Check the details on paperwork that you have to do, dreamer. Soul Affirmation: I release

internal pressure by enjoying the beauties of the world around me.

LEO

Everybody's in a good mood this week, and you'll want to join friends or family in sharing good food and feelings. You may be asked to grow, or move. Think seriously about it, because it could enhance your spiritual growth. Soul Affirmation: In order for money to come I must think about money as my friend.

VIRGO

At work, some matters have been on hold but now you will get the green light. Continue to work as diligently as you have been in the past to ensure success. Have faith that your plans are on target.

Soul Affirmation: Anticipation of a beautiful immediate future lights up my week.

LIBRA

Quit rushing around. You frequently help others so why are you troubling over asking for the help you need this week? Ask and when you receive say Thank You! You are blessed with many supportive friends. Soul Affirmation: I smile and trust in the powers beyond myself.

SCORPIO

Keep all your ducks in a row this week. No mixing work with fun or business with pleasure. Save your affection for the home front and stay focused on the work in front of you on the job. Things are working out perfectly. Soul Affirmation: This week I find joy in the gifts that life has already given me.

SAGITTARIUS
Why not take each perfect moment as it comes? You are struggling to find a solution that time can and will provide. Perform your tasks cheerfully this week and let the future take care of itself. Soul Affirmation: Worry will only create more worry. I stop all worry.

CAPRICORN

Your anxiety about an important issue can now be seen as needless. You don't have to worry! Have faith that things are working out perfectly and they will! Soul

Affirmation: I am uplifted by the presence of friends.

AQUARIUS
You can be discreet and cut down on some of the envious comments you are attracting. Or you can continue to flaunt it since you've got it. Your choice this week! Watch for a pleasant change in a romantic partner's attitude. Soul Affirmation: The winner is me. I smile for the cameras.

PISCES
Center yourself at every opportunity during this busy week and keep your quest for emotional and spiritual balance in the forefront. Make an effort to take your time; that way you'll recognize opportunity from impulse-control problems immediately. Soul Affirmation: My spirit gives me limitless possibilities.
