PEACE OF MIND

Quiet! mind is at work
Spectrum of peace is one damn network.

Turn to this channel we have the past
We all know that doesn't last

Turn to this channel we have the present
The here and now called the mind lesson

Turn to this channel we have the future
Expand your mind and here you'll find
peace of mind

Feel your body existing
No beginning or ending
You have always lived, and have never died
There will you find peace of mind

Become one with your total being
For in one minute of that time
You have reached a "peace of mind".

International North plays its first game on Friday, July 18, at 9:00 p.m. The opponent is West Seattle South. International South sees its first action on the following morning at 10:00 a.m. on Saturday, July 19, against Rainier-Beacon South.

Players and coaches of both clubs are optimistic about this tournament. So, International Little League fans, treat yourself to a super brand of Little League Baseball by attending these games and lending your vocal support to our representatives of the International Little League!
