IN LOVING MEMORY OF Reverend Dr. Edgar W. Bratton

Reverend Bratton was born December 6, 1915, in Atchison County, Kansas, and was the oldest of five children born to Edgar and Katherine Bratton. Upon completion of public school in Atchison County, he joined the Civilian Conservation Corps and remained there until he entered the U.S. Armed Forces, in May 1941. He was assigned to the 342nd Quartermaster Trucking Company and, in April 1942, he was sent to the South Pacific to serve in World War II. During his tour of duty, he received several honor awards.

Earlier, in 1941, he was married to Tracena E. Hughes, of Atchison, Kansas. After the war ended, they established their home in Kansas City, Missouri. They have one daughter, Tharon. Acknowledging a call to the ministry, in August 1950, he enrolled in the Western Baptist Seminary, where he attended classes full time during the day and held a full-time night job as a U.S. postal clerk. The Mt. Moriah Baptist Church, in Knobnoster, Missouri, sixty miles from Kansas City, called Rev. Bratton to his first pastorate in 1953; and two years later, he was called to Sioux City, Iowa, to become the pastor of Mt.

City of Seattle Continues Hostilities Toward Black-Owned Businesses

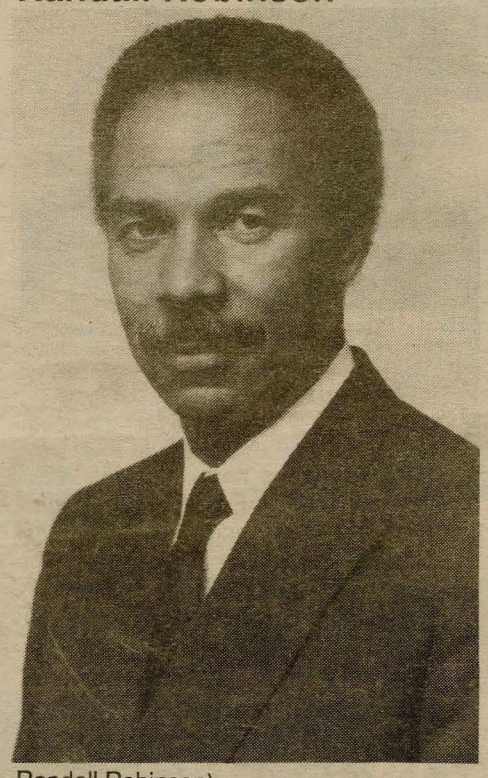

On September 29, 1998 the owners of the only Black-owned supermarket in the State of Washington, the Martin Luther King Way Market (MLK Market), located at 6040 Martin Luther King Way South, were served notice that the City of Seattle's Office of Economic Development (OED) had called an outstanding loan that was co-signed by the market's primary supplier - Associated Grocers (AG). The owners of MLK Market were not given the opportunity to bring the account current after makin 23 of the 25 payments; rather the loan was called by OED.

The National Black Chamber of Commerce (NBCC) is questioning the inconsistency of OED in its funding pattern of ventures such as supermarkets. NBCC further questions the City's commitment to Black-owned businesses and is greatly disturbed by recent actions taken by the Seattle City Attorney and the Seattle Police Department toward Black-owned businesses and those that cater to African-Americans in the City of Seattle.

Chamber officials today expressed outrage that the City of Seattle would be seeking to designate the area where the MLK Market is located as a Federal Enterprise Zone; particulary in light of the exclusion of African-American owned businesses and the discriminatory practices by the City's Office of Economic Development toward Black-owned businesses.

A meeting has been scheduled for September 30, 1998 at 11:00am at Associated Grocers to remove the present owners of MLK Market. National Black Chamber of Commerce officials have contacted the Mayor's Office, members of the Seattle City Council, and the offices of U.S. Senator Patty Murray and U.S. Congressman Jim McDermott seeking assistance in this matter.

The Blood That Flows! by Gloria Jean Polk

What can wash away my sin
NOTHING BUT THE BLOOD OF JESUS
What can make me whole again
NOTHING BUT THE BLOOD OF JESUS
Robert Lowery

Blood of Jesus

It is the precious BLOOD OF JESUS
That flows to the deepest hurt
That cleanses the darkest wound

It is the precious BLOOD OF JESUS
That soothes the soul in pain
That flows to restore the mind insane

Are you in need of peace, Let the
BLOOD OF JESUS' power be released
Are you depressed and forlorn
The BLOOD OF JESUS will mend your heart that's torn
REPENT your sins!
Call on the name above all names
JESUS CHRIST!
TODAY, ask Him into your heart
He will NEVER leave
He will NEVER depart!

October 22nd National Day of Protest to Stop Police Brutality

There is a national epidemic of police brutality and murder and it's got to stop. Literally thousands of people have been murdered by the police and border patrol with no justice. The outrageous murders of Robert Wayne Guy, Jr., Edward Anderson, Antonio Jackson, Tama Ava, Mike Mitchell, Ralf Sanjurjo, Bouregard Mitchell, Antonio Dunsmore and Stanley Cramer are just a few of the more well known cases in Washington State. The Stolen Lives Project is documenting the murders nationally to bring the facts of the epidemic of police murders to millions.

Join us for the third National Day of Protest to **Stop Police Brutality, Repression, and the Criminalization of a Generation.** Last year there were events in over 50 cities. People of many diverse backgrounds are joining together again to make a powerful statement that will include rallies, cultural events and church events. While many prominent individuals such as Ramona Africa, Leonard Peltier and Cornell West have endorsed the day, this is a grassroots movement that needs to be spread far and wide by the efforts of everyone concerned with this issue. We will give special focus to bringing forward the voices of those who have experienced police brutality and youth who are part of a generation being stigmatized and imprisoned in record numbers.

This is a call to youth to spread the word in the schools and neighborhoods. We call on artists and musicians to get involved. We need space to display art, walls donated for murals remembering those killed. Can you organize a drum squad or bicycle contingent for the march? Is there a church that would donate a space for a cultural event or memorial service?

Call us at 206-233-7940 for meeting times, events, and the rally and march site. Oct. 4th and 11th there will be planning meetings at the Douglass Truth Library meeting room: 23rd South and Yesler Way in Seattle, at 1pm both days.

FAMILY FIRST

Author: Deloris Jordan

By Martin Frye Sr.

"Yes, I'm Michael Jordan's Mother, but I had Family first." Mike's mom speaks with great confidence and belief. "This is an incredible, God-given opportunity to say something that will encourage and help others in their family's roles." Reasoning that defines great experiences magnified by her delicate but firm wisdom. Meeting her and seeing her in person was a truly exceptional experience which I'll never forget. The words Deloris Jordan spoke were mesmerizing, leaving every person in a state of Awe. The more she spoke the happier people became. Everyone whom attended left astonished. Promoting good family values and awareness, Mrs. Jordan's communication had been well received throughout the nation and compliments her son the basketball player, which compliments her New Book - **Family's First!** Being Michael Jordan's Mother is "great". It endows assistance to establish a tremendous audience which plateaus her message above many. The words she speaks are direct and very much her own, powerful deliveries that are exceptionally and happily bold, explicit utterance that all citizens of America can enjoy and learn from. Families reaching a destination of harmony in front of the games we play to achieve social / economic fame. Before her son became world famous, the Jordan's had a working class or middle class lifestyle in a small town in North Carolina. Limitations due to a tight budget did not allow too many (extra) luxuries, but they used their resources to give an advantage so there would be enough for all there kids (5). Girl Scout uniforms for Mary, Mike's baby sister or basketball camps for the boys and all other things that come along with being there for your children. Mrs. Jordan expresses that they did not have an abundance of money, but they had much love! After Mike became a N.B.A. rookie and started making thousands of dollars, you would automatically think - all there problems were over. Mrs. Jordan makes it admittedly clear that it wasn't, not leaving out this fact. It's not easy for many kids once they hit the big time. The transition from student to star can leave many ballers suffering before pleasure. Being a parent of a world famous athlete is harder than many people think. "At times it was an "Unwelcome pain." But in comparison to raising 5 kids I'm sure she and her husband Ray did O.K. In the one hour opening speech @ Dunlap Baptist Church next to Rainier Beach Recreational Center (south side), Deloris Jordan spoke of her 7 step program which is discussed in her book "Families First." She told stories about the Jordan family that I had never heard. Deloris doesn't presume to have all the answers but her book is an enormous help and a pillar of good work. The book is dedicated to James Jordan, Mike's father who has recently passed, Deloris' partner in parenting and a husband who "enjoyed being a dad."

MANN BITS & PIECES

Baseball's regular season is over and now onto the playoffs. A lot of people in the Northwest region are really angry with manager Lou Piniella for the downfall of a team picked to win the West and barely stayed out of the cellar by only 1&1/2 games over Oakland. Team CEO John Ellis said there won't be any dismissals under his watch. That means Team President Chuck Armstrong, General Manager Woody Woodward and Piniella will be present when the franchise moves from the Kingdome across the street to Safeco Field next July... Some individual highlights for the 1998 Mariners -- Griffey hit 56 home runs for the second straight year, drove in 146 runs and played outstanding defense in center field -- Rodriguez had 42 homers, 46 stolen bases and 124 RBIs, joining Jose Canseco and Barry Bonds as the only members of The 40 Homer - 40 Steal Club -- Designated hitter Edgar Martinez hit .322 with 29 homers and 102 RBIs... Get your heads up Huskies -- This weekend the 4-0 Arizona Wildcats are in town to open up the Pac-10 Challenge. The slaughter in Lincoln will have to be put on the back burner and scored as just another game... Same goes for The Seahawks as they lick their wounds after falling short at the hands of The Pittsburg Steelers. A game in which The Seahawks should have won has now decreased their record to 3-1 entering a meeting this weekend in Kansas City, where they haven't won since The Dave Kreig Era. As everyone knows the blame on offense can't be attributed to the lack of performance by Hawks Quarterback Warren Moon. The inability of the receivers to catch the ball and the running backs fumbles caused the downfall last week in The Steel City.

DESTINY DAY

This column is dedicated to the memory of Fitzgerald Beaver, the Founder of The Facts Newspaper; My 3 Year old Daughter, Destiny; and all the children in the community. May the Destiny made by our past, and the Destiny to be made by our future, be a comfort to us all.

SCRIPTURE AND LESSON FOR THE MONTH

"But seek ye first the Kingdom of God, and His righteousness, and all these things shall be added unto you.". Matthew 6:33. The confirmation of Philippians 4:19 confirms that God is a provider of "things" that we "needs. If our "needs" are not being met, we might want to consider the importance of the word "first."

A TIME OF SHARING

Please share your thoughts in regard to what appears to be the central thought of this Month's Scripture. As man answers as possible will condensed and printed in this space. God Bless you! From the Church Editor.

Power For Victorious Living
By: Rev. Jesse Duckworth

"The Power To Change In Order To Grow"

Power to change comes from within. And the key is to put something inside that motivates you in the right direction. You know, it's easy to tell someone to change those habits or lifestyles that may be destructive to them but you know, most people don't really want to give up what they really love. It doesn't matter whether it's hurting them or others. It doesn't matter weather it's holding them back from being productive and successful in life.

Most of us have something that we need to change in order to really grow. But how do we do that?

#1) We must first want to change!

#2) Identify whatever you feel is holding you back.

#3) Recognize the influence these forces are having in your life.

#4) You must be able to confess all sin and let it go (I John 1:9).

#5) You must be ready to face up to forgiveness - even of yourself if need be (Matthew 6:12-14).

#6) Be ready to report -that's real change! (Metanoia) Changing from the heart.

We have many Christians falling away from the Church because they did not repent from the heart (the old lifestyle). Change is hard especially when it involves your mind (Romans 12:2). But it must be done!

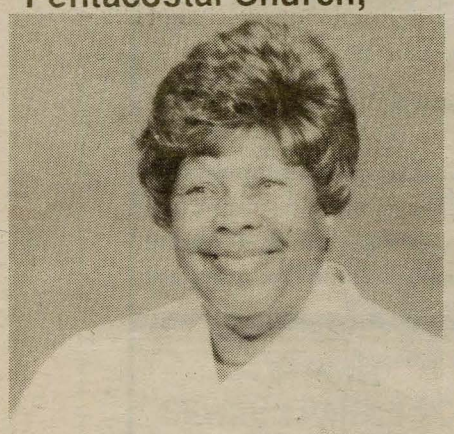

#7) We must control our emotions. Guilt, fear, hate, jealousy, worry, loneliness, resentment, revenge, anger and etc. must go. Anger and depression are two enemies that destroy many iives.

The Bible says in Ecclesiastes 7:9, "don't be quick tempered - for that's being a fool. A quick tempered man starts fights; a cool tempered man tries to stop them"(Prov. 15:18). A short tempered man is a fool. He hates the man who is patient (Prov. 14:17).

#8) In closing, turn to Jesus and let God fill your heart with the power to change - so that you too can grow beyond where you are in all areas in your life. Receive the Jesus into your heart and let (Him) fill you with (His) (Spirit) (Act 1:8) and start to receive the power within to help you change your life.

BLACK IN YOUR FACE AGAIN

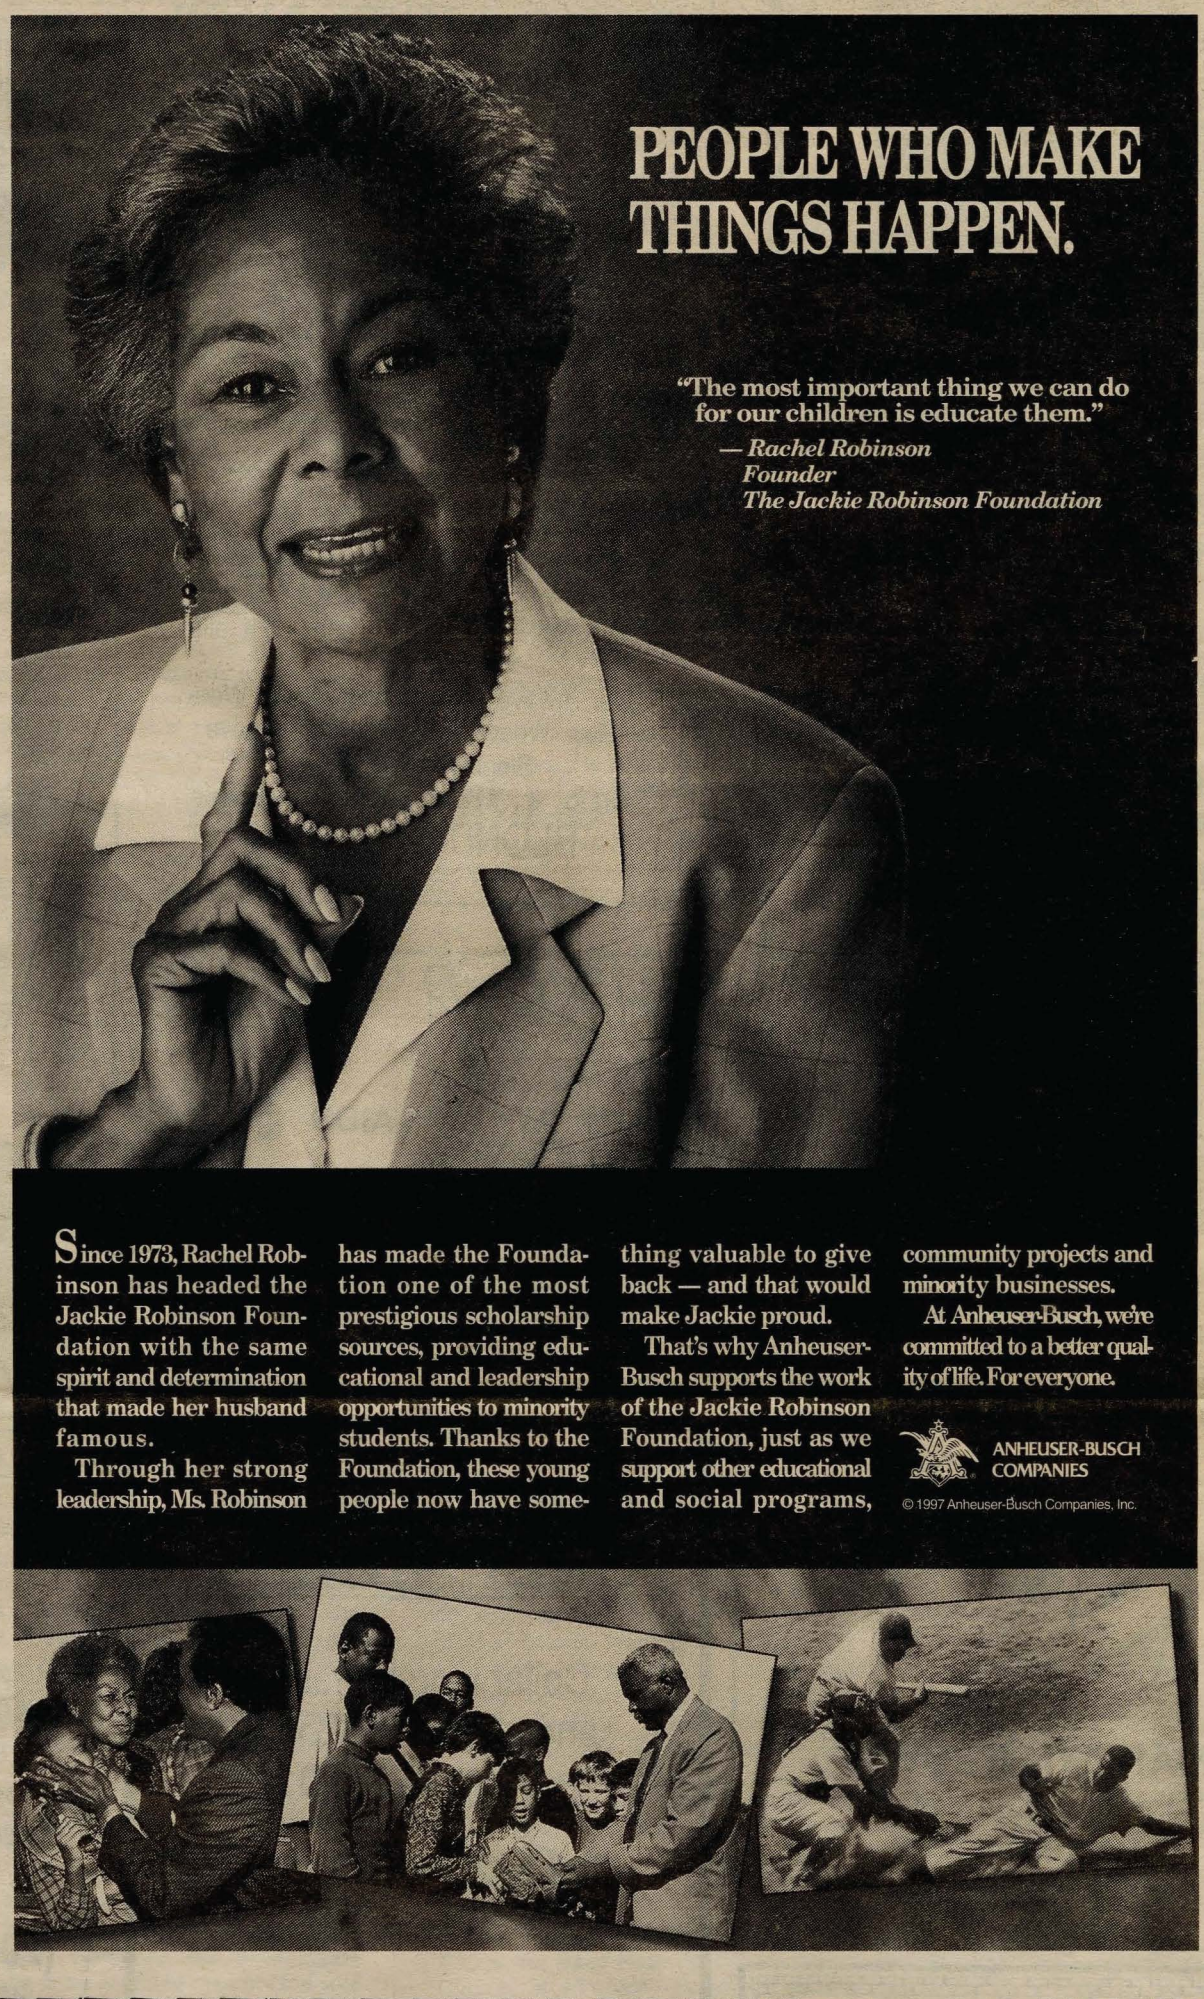

Nu Black Arts West Theatre is back and in our Nu home. We're so excited to be back in the same community that we began in eighteen years ago. It gives us great pleasure that we're back because so many people Love, Remember and Believe in us. You know we care about you, about our children, our elders, our prisoners, our unskilled and the unity created through the arts. The fact that an old friend (BAWT) has returned and is already bringing smiles on faces in great anticipation of its Nu beginning. We look forward to serving the people of our region with great enthusiasm and purpose. NBAWT's direction is focused on helping give back the **PRIDE** the original theater gave us in the 60's, 70's, all the way up to the 80's. We are here to build our community through the use of the arts and to give people a sense of certitude. We'll be offering training in all aspects of the theater as well as entertainment through our upcoming productions. We intend to educate with strong emphasis on history. Giving our children an outlet needed for productive growth is first on our agenda. Yes, we're back, and with your support we're here to stay. Nu Black Arts West Theatre is located at our Nu home, 153 14th Avenue on the corner of 14th and Fir. Do your part by becoming a member! Our annual membership drive is happening now!

Assembly Speaker Villaraigosa Reacts To The Passing of Former Mayor Tom Bradley

Assembly Speaker Antonio Villaraigosa, the first Los Angeles Speaker in 25 years, issued this statement in reaction to the passing of former Los Angeles Mayor Tom Bradley:

"Mayor Tom Bradley served the City of Los Angeles in an unprecedented and inimitable way. He was a kind and gentle man, who was also an extraordinarily dedicated public servant. Tom Bradley unified, healed, built bridges and blazed trails. He loved Los Angeles and Angelenos in a profound way, and worked tirelessly to help us all realize our full potential. "Tom Bradley was a mentor and motivator to so many of us interested in entering public service. I feel lucky to have known him, and the City of Los Angeles is a better place because of him."
