

CONGRATULATIONS

The Black Heritage Society of Washington State (BHS) extends best wishes to R O O T S (Relatives Of Old Timers) on their TENTH ANNIVERSARY.

The BHS is observing the 100th Anniversary of the first ownership of property by a Negro, in the Central area. WILLIAM E. GROSE purchased the land and built his family home in the seventeen hundred block on 24th Avenue in 1882.

This fall we plan to have a banquet in observance of this 100th Anniversary and extend an invitation to each of you. Particulars as to date, place and time will appear in the local newspapers.

The BHS invites you to join this fast growing and exciting historical society. The main goal of the Society is to establish a museum of Black History and Art. For membership information, please call Mrs. Cecille Perkins, 322-0141.
