THE FRUIT OF THE SPIRIT

I Apologize to the readers of this article for typographical errors and misspelled words that appear from time to time...but they are not mine. I hope that the errors will not distract anyone from the truth of God's eternal word.

Getting back to our observation of John, chapter three (3), I hope that we can all realize that we can discuss baptism, the new birth, the Church, the members of the Church, the operation of the Holy Spirit, or whatever that is: correct according to God's word and all of these things will eventually connect, because the Bible is one continuous story of God's love toward humanity expressed or manifested in Christ Jesus (John 10:9-10; 1:14) False doctrine (teachers of it) run into problems with certain aspects of the Christian faith because they try to fit human reasoning and desires into God's eternal plan. A misunderstanding about the new birth will lead to many other misunderstandings.

In teaching about the new birth, Jesus linked two elements, water and the Spirit, with a coordinate conjunction, "and," making them of equal value and importance. In other words a person who really want to understand the operation of the Holy Spirit or the new birth, must understand the importance of the water in the plan as well as the Spirit. That is God's word. In order to understand the fruit of the Spirit, a person must understand the operation as well as the baptism of the Spirit, which is the same baptism described in John, chapter three (3). One baptism (Eph.4:5; 1 Cor.11:4; Gal.3:26-27); not two. The two elements in the one baptism are the same two elements in the new birth—water and Spirit. The seed of the Kingdom of God is the word of God (Luke 8:11); those who obey the word of God are born into the Kingdom of God (1 Pet.21-23; 25), added to the church (Acts 2:47), and the "new birth" begins where God preforms spiritual surgery upon the person (Col.2:11-13) removing sin, adding them to the church, translated them into the Kingdom of His dear son (Acts 2:47; Col.1:13); and it all happens when one completes his/her obedience to God upon being baptized for the forgiveness of sins (Acts 2:38). It must all connect—one continuing true revelation from beginning to end. If you have problems getting it all together or trying to tie together the loose ends...something is either wrong with your ability to understand or you might need to examine yourself and see.....
