

JULY 22 - JULY 28

HOROSCOPE

ARIES
Charm is an extremely effective tool for you this week. Charisma works better than at any recent time especially at home. Shine brightly and let your glow work for you. Your self-image is your most effective tool. Soul Affirmation: Time is the greatest peacemaker of them all.

TAURUS
This week make your special interest pay off in cash. Enough of goodness for goodness sake. You've got bills to pay. People expect generosity from a big hearted person like you. Ask them for something in return or they'll drain you. Soul Affirmation: Intelligent information does not have to come from intelligent sources.

GEMINI
During the next few weeks be ready for surprises that await you. Don't make any solid plans with anyone except you lover. This week will bring forth a new dimension in a special relationship. You will come upon a sensational poem that illustrates the love the two you share. Soul Affirmation: The search for fun occupies my time this week.

CANCER
Stay steady in your pursuits. Temptations are all around you.

Attractive pursuits abound but stay on course with what you planned to do with all the good energy that has arisen in your life. Soul Affirmation: I do not allow demands to be placed on me this week.

LEO
You have made many friends through a social network you've been involved with. Continue to cultivate those friendships this week. Long distance phone calls are worth the money. Your actions will speak much louder than words this week. Prove your love and your friendship. Others might need convincing. Soul Affirmation: My imagination is the source of my happiness.

VIRGO
This is no time to try to be neat. Continue with your messy thinking. Others might not know how things fit together but your faith allows you to work without a plan this week. Faith will guide you through the chaotic mental atmosphere that surrounds you this week. Soul Affirmation: I give extra attention to my mate this week.

LIBRA
Call a family member and ask for advice. You know the one to call -- the same person who has been level headed in the past. Your head is not

as level as it should be. Move forward not on your own understanding. Allow advice to have a great affect on your decisions. Soul Affirmation: I find peace in communing with nature this week.

SCORPIO
Your suspicions will give you misleading information. Now is a time for trust. Base the trust on the fact that nothing is in danger. No matter what the outcome of current affairs you are going to come out wiser and better. Soul Affirmation: I release internal pressure by enjoying the beauties of the world around me.

SAGITTARIUS
Ponder your intimate thoughts when you feel that you would rather have stayed in bed. Treasure the remembered image of a friend and play the image over and over to uplift your sleepy spirit. Soul Affirmation: I make a special effort to bond with old friends.

CAPRICORN
Give yourself a break this week. Coast! You might not feel it but you are on the top of a hill. You don't have to work to move forward. Just let your momentum carry you. Smile and things will get done. Spend some time on the phone taking care of social obligations

and social diversions. Soul Affirmation: I try to smile more often than usual this week

AQUARIUS
This week you're likely to notice that your relationship with your lover has been elevated into a strong friendship as well. Play up the friendship side this week. Don't

feel inhibited when the two of you are alone. Act and speak freely. You will be pleasantly surprised at the reception your lover/pal gives you. Soul Affirmation: I open myself up for a glad surprise.

PISCES
It is true that the universe provides but you are part of the universe and so you have to be a provider for

yourself this week. Willful activity is the key this week. Ego matters. Pursue it because you want it and are good enough to get it. Make the changes necessary to add dynamism and excitement to your body of affairs. Soul Affirmation: This week I forgive myself for everything that has happened.
