Elvis Has Been Sighted...In St. Vincent

St. Vincent, British West Indies--The tiny island nation of St. Vincent has just released a set of Elvis Presley postage stamps--beating the U.S. Postal Service to the punch.

"While the post office was trying to decide between the young and the old Elvis, here you have this tiny nation that's issued nine different stamps showing Elvis in every stage of his career", said Jeffrey Franz of The International Collectors Society in Baltimore, Maryland, who is distributing the stamps in the U.S., "still, I don't see the Postal Service getting all shook up over this."

The St. Vincent issue is legal for postage in St. Vincent and recognized by postal authorities throughout the world.

For information on these stamps contact The International Collectors Society, 111 Water Street, Suite 300 LH, Baltimore, Maryland 21202, (800)-333-5116.

Superb African American Press Coverage Throughout 1992

If anyone ever suggests that the African American Press as an institution is a minor press or not timely, please give that person a copy of this column. In fact, suggest to that person that he or she subscribe to one of our newspapers.

We offer the following examples of news coverage from various newspapers as evidence that the Pan African Press is indeed special. Because we ran a similar column during the past summer, we have chosen to give more examples for the months of August - December.

JANUARY - Dr. King Holiday Celebrations, the Nation of Islam and Kemron Drug for AIDS virus.

FEBRUARY - Dr. Ben Hooks of the NAACP announces retirement, Mike Tyson convicted of rape.

MARCH - Katherine Dunham ends her fast in protest of Haitian mistreatment, Jamaican Prime Minister Michael Manley announces retirement.

APRIL - P.J. Patterson chosen new Jamaican Prime Minister, Virginia Union University men's basketball team crowned Division II champions.

MAY - Los Angeles erupts after Rodney King/ Police officers verdict, Ramona Africa of MOVE freed in Philadelphia.

JUNE - Birmingham businessman A.G. Gaston chosen Enterpreneur of the Century, Bill Clinton/Sister Souljah Controversy.

JULY - Five African Americans receive MacArthur Fellowships, African American gangs in LA maintain truce.

AUGUST - Strikes take place in South Africa/ Azania, Dr. Mae Jemison goes into space, Chief Moshood Kashi mawo Abiola of Nigeria demands, "Slave traders must pay reparations."

SEPTEMBER - Howard University rated one of the top universities in country, Mayor Tom Bradley decides not to seek re-election, former Judge Alcee Hastings - impeachment overturned in Florida.

OCTOBER - Dr. Lenora Fulani on ballot in forty states as presidential candidate, Robert Maynard sells Oakland Tribune, Atlanta to host the Nation of Islam's Annual savior's day affair, Cito Gaston manages the Toronto Blue Jays to Baseball World Series.

NOVEMBER - Bill Clinton elected President of the United States, Vernon Jordan chairs Clinton Transitional Team, the Malcolm X Movie.
