

Don't cry for me Daddy
 I am right here
 Although you can't see me
 I see your tears
 I visit you often
 Go to work with you each day
 And when it's time to close your eyes
 On your pillows where I lay
 I hold your hand and stroke your hair
 And whisper in your ear
 If you're sad today Daddy
 Remember I am here
 God took me home
 This we know is true
 But you will always be my Daddy
 Even though I'm not with you
 I am Daddy's little girl
 We will never be apart
 For every time you think of me
 Please know I'm in your heart.
 I Love you Daddy!
 You're Baby Girl

Family Thoughts: Great-grandmother, Donna

Zipporah was such a happy, bright little girl – usually full of enthusiasm and such sweet, pretty child. We all loved her so much she was very loving, kind and caring, full of fun. We, too, will miss her. She will always be in my heart.
