Why Choose Metro?

Bus Driver

Systems Analyst

Water Quality Technician

Since 1958, Metro has successfully protected the region's waters from pollution and provided a growing network of public transportation service to the community.

The agency continues to grow to serve the needs of an expanding metropolitan population.

To meet tomorrow's challenges, Metro needs talented, innovative and dynamic people—people like you.

If you're looking for your first job, consider Metro. The agency hires biologists, lab technicians, bus drivers, transit planners, employment analysts, accountants, environmental planners, secretaries, administrators and maintenance staff.

Metro is committed to affirmative action, promotions from within and professional growth.

If you're seeking a career with a future, consider Metro.
