WORSHIPFUL MASTER DAMON MOORE

Greetings to Harmony Lodge #2 from the Worshipful Master and his wife on your 70th Anniversary.

I became a member of Harmony Lodge #2 in 1973. Since that time I have served in many offices faithfully. I also serve my community through my church, the New Hope Missionary Baptist Church, as the president of the Brotherhood Chorus and I am a member of the Deacon Board.

I wish to thank the members of Harmony Lodge #2 for electing me as Worshipful Master during the year of the 70th Anniversary. I also wish to thank my beautiful wife who has supported me with love and patience through the years. God bless each and everyone of you.

HISTORY OF HARMONY LODGE NO. 2, F. &. A. M.

This history has been specifically written for this celebration to pay respect to the men of color who established, and to their successors who have maintained a viable organization in Seattle, Washington for Seventy (70) consecutive years. This organization is Harmony Lodge No. 2, F. & A. M. (PHA), established April 3, 1911. The mechanism of forming Harmony Lodge No. 2 was the consolidation of Washington Lodge No. 2 and Trinity Lodge No. 7, as recorded in the Grand Lodge records of 1911 pages 57, 58 and 59.

The history of Harmony Lodge first must begin with the history of Washington Lodge No. 49 and Trinity Lodge No. 27. Washington Lodge No. 49, A. F. & A. M., was chartered in 1898 under the Grand Lodge of Illinois and Jurisdiction. It was located at Franklin, Washington, then a coal mining section near the present sites of Black Diamond and New Castle. Washington Lodge moved to Seattle, Washington and became one of the organizers of our Grand Lodge in 1903. Trinity Lodge No. 27, A. F. & A. M., was organized U.D. on October 2, 1902 in Seattle and was chartered August 4, 1903 by the Grand Lodge of Iowa and Jurisdiction.

The historical data will show that both lodges were A. F. & A. M. because their grand lodges were using the letters A. F. & A. M. at the turn of the Century, similar to all other grand lodges in the Prince Hall masonic family.

The first style and title of our Grand Lodge organized in 1903, was the Most Worshipful Grand Lodge A. F. & A. M. of Washington and Oregon. Records reveal that on July 20, 1906, the Grand Lodge filed Articles of Incorporation under the name of "Grand Lodge Free and Accepted Masons (African) of Washington. Here the documents show that A. F. & A. M. is changed to F. & A. M. and has remained over the years even though the name has changed to read "The Most Worshipful Prince Hall Grand Lodge F. & A. M., State of Washington and Jurisdiction. Washington Lodge was listed in our Grand Lodge records as number 2 in 1903, however; Trinity Lodge chose to remain under the Iowa Jurisdiction until in 1907 when its name appeared on our Grand Lodge records as Trinity Lodge No. 7 F. & A. M. Further that all lodges having seals with the letters "A. F. & A. M." be changed to read "F. & A.M." as this will be in accordance with the Grand Lodge. This was adopted in 1907.

The expansion of freemasonry in the Seattle area by the two (2) lodges, prior to the merger, created dissension between the two lodges over the years. This divergent action by the lodges was not uncommon under the circumstances during that period in history. First, masonic lodges were from various jurisdictions in this area, therefore, the general practice of masonry were different. Since each Grand Lodge has always been and still is sovereign in its jurisdiction, the laws are different even though each Grand Lodge of Prince Hall Masons possesses a superior working relationship in their recognition of each other regardless of their location. Secondly, since there were no Prince Hall Grand Lodge in this state

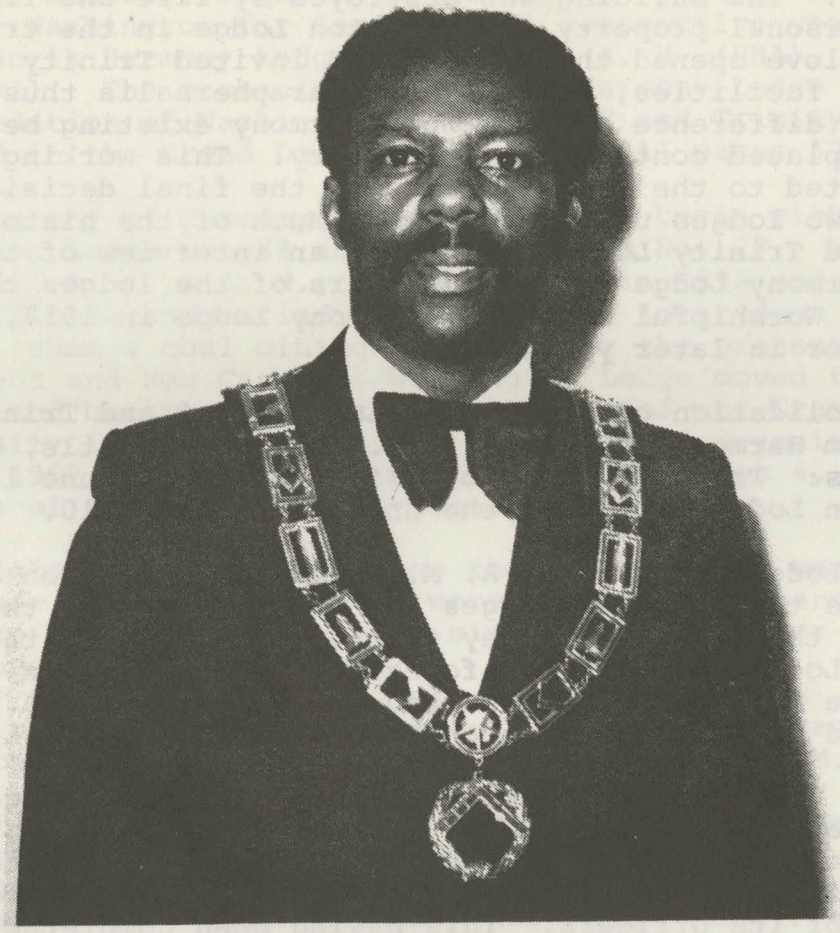

at the turn of the Century, Washington was considered open territory and any Grand Lodge could establish a lodge or lodges here. Washington Lodge and Trinity Lodge often questioned each other's legitimacy. Finally, Trinity Lodge had a major catastrophe at their meeting place. The building was destroyed by fire and Trinity Lodge lost their personal property. Washington Lodge in the true spirit of brotherly love opened their doors and invited Trinity Lodge to meet in their facilities, to use their paraphernalia thus ending a long standing difference of opinion. Harmony existing between the two lodges replaced controversy with unity. This working relationship contributed to the merger talks and the final decision to combine the two lodges under one name. Much of the history of Washington and Trinity Lodges came from an interview of two (2) members of Harmony Lodge who were members of the lodges that emerged. One served as Worshipful Master of Harmony Lodge in 1917, also served as Grand Master in later years.

The consolidation of Washington Lodge No. 2 and Trinity Lodge No. 7, to form Harmony Lodge No. 2, F. & A. M., Seattle, Washington was as follows: Trinity Lodge voted for the union June 14, 1910 and Washington Lodge voted for the union June 20, 1910.

Harmony Lodge No. 2, F. & A. M., came into being on March 6, 1911 after the two previous lodges had met, transacted their business and dissolved their lodges. They then voted to return their charters to the Grand Lodge and petition for a new charter. This charter was granted by the Most Worshipful United Grand Lodge F. & A. M. of Washington and its Jurisdiction on March 23, 1911.

On April 3, 1911, at a communication of Harmony Lodge No. 2, Most Worshipful Grand Master Henry J. Asberry, with his staff, proceeded to open a Grand Lodge in ample form for the consecration, dedication and constitution of Harmony Lodge No. 2, and for the installation of its officers. This having been completed the Grand Marshall proclaimed that Harmony Lodge No. 2 was regularly constituted and dedicated and its officers regularly installed. Harmony Lodge No. 2 has been continuously in operation from this date until the present, having weathered all the storms that beset any organization. Here, tonight, we are proud to celebrate our Seventy (70th) Anniversary.

Johnny Allen retired after 45 years experience in the construction industry in 1977, most of it as a self-employed contractor.

His career began while he was still a student at Franklin Parish Training School in Louisiana. He was co-developer and builder of a 200 sq. ft. building to house the school's economics and shop classes.

After becoming a journeyman plumber and journeyman painter, Johnny operated his own plumbing and painting contracting business in Louisiana for several years.

He moved to Seattle in 1944, where he formed the AAA Painting And Decorating Company. In 1956 he established MALCO Construction Company to handle new construction and remodeling. The assets of these companies were subsequently absorbed by Urban Construction Co., Inc. which was organized in 1967, with Johnny Allen as president and general manager until his retirement. He sold his 66 2/3% and entered the real estate business, where upon obtaining his license he became the sales manager for L-W Realty. The family real estate holdings were managed by their Coronet Investments and E & E Enterprises Companies.

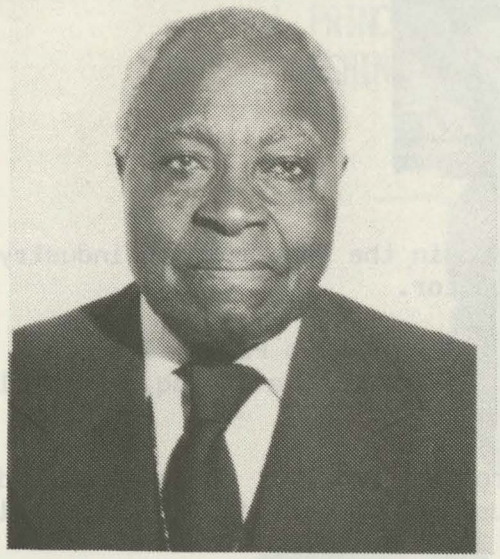

Johnny Allen recently organized the JOHNNY ALLEN REALTY, Johnny Allen Broker at its present location at 7915 Rainier Avenue South in Seattle, WA.

Governor Dan Evans appointed Johnny to the Apprenticeship Study Committee of the State Department of Labor and Industries.

Johnny Allen has a solid record of leadership in local, civic and charitable organizations. He was a charter member and later chairman of the Seattle Human Rights Commission; a charter member and vice president of Jobs Market; a charter member and vice president of S.O.I.C. (Seattle Opportunities Industrialization Center); and a founder and board member of Central Area Industries (Randolph Carter Center) and sheltered workshop; a charter member and founder of the NAACP Credit Union and has been board member and treasurer of the Urban League and a member of the YMCA. For 36 years Johnny has been a member of Mt. Zion Baptist Church, and served as a trustee for four years.

Johnny Allen is a past master of Harmony Lodge #2, F. & A. M. (PHA), Past Commander-In-Chief P.H. Consistory #67, Past Patron of Queen of Sheba #12, O.E.S.; Past Joshua of Sarah W. Dupee Court #1, Heroines of Jericho; Created in Beni Hassan Temple #64, in 1956 and later became Deputy of the Desert (State of Washington) 1969 to 1973; chairman of the board of directors, Prince Hall Temple Association; served as Grand Master 1959 to 1963 and is a 33^{0} mason. Johnny has never missed a grand lodge session since being made a mason in January 1946.

Born July 6, 1918 in Delhi, Louisiana to Bennie Allen and Roberta Foy Allen. Married Edith Tucker March 23, 1941 - has a daughter, Joan, a principal in the Seattle Public School System.

E. A. DOUGLAS

Past Grand Master E. A. Douglas was initiated and passed in Harmony Lodge No. 2 on December 1944; was raised January 8, 1945 and was appointed Tyler January 22, 1945. I held this post three years, after which I was elected Junior Warden in 1949; Senior Warden 1950 and Master in 1951. My year as Master was wonderful. During that time, the Grand Master Dr. F. B. Davis was a member of Harmony Lodge. Also during this time, the Grand Lodge did not furnish Grand Master aprons. After a successful St. John's Day, the lodge purchased an apron for Dr. Davis.

During that year, Grand Lodge Session was held in Portland, OR. At this session, I had the privilege of tying the Grand Master's apron on Dr. Davis.

BRO. TOM BROWN

Bro. Brown, a former resident of Oakridge, LA, is a long standing member of the Masonry. His affiliation began during the year of 1929. During this time, Bro. Brown had the unusual honor of being voted as a Master Mason at the young age of 19. Another noteworthy ceremony in which he participated, was the initiation of his father into the Masonry. Bro. Brown remained an active member of Fidelity Lodge #53 F. & A. M. (PHA), Bastrop, LA and served in appointed positions in that lodge until demitting.

During 1946, he became an active member in Harmony Lodge. Presently, he is the second oldest mason in Harmony Lodge. During that same year, he joined the Mount Zion congregation and served in the following positions: Deacon Board Member, Trustee of the Church, President of The Brotherhood, President of the Usher Board and Founder of the Zion Newsletter.

Bro. Brown's other past and present affiliations are: active member of the Mount Zion Credit Union, membership committee of the YMCA, active member of the NAACP, active member of the Seattle Urban League.

During the period of 1942-1946, Bro. Brown served in the U. S. Air Force. After leaving the military, Bro. Brown worked on the Port-of-Embarkation from 1946-1958. Shortly afterwards, he formed a partnership with the late Nathan Hightower, as operators and proprietors of a service station. Presently, the station is Brown's Exxon located at 1426 34th, Seattle, WA.

Bro. Brown has trained and hired many young persons as they sought interesting and constructive options to enhance their understanding of business economics. One of his trainees began learning the aspects of the business while in junior high school and continued until high school graduation. Presently, the trainee is matriculating at University of Puget Sound, Tacoma, WA.

PAST MASTER AMOS GENTRY

Next to his church, he feels that the day he was made a Master Mason in Harmony Lodge #2, F. & A. M. (P.H.A.) is his greatest achievement and he was quick to give credit to the brothers who recommended him and to those who accepted him as a member. He also became a 32° mason and a shriner. He held various offices in the Lodge before being elected to its highest office as Worshipful Master in 1972. This became the APEX of his life. He is a very active Past Master, when health permits, and the Lodge's Past Masters Council. He is a member of Prince Hall Consistory #67.

His wife (Alma) is also an outstanding educator who is retired from the Seattle Public Schools as a Social Worker. He reminded the interviewer when asked what are your hobbies?, he then answered that our fun moments are fishing and traveling and the interviewer was aware that February 6, 1981 was his birthday, but the interview ended without any further discussion on the birthday subject, therefore, let's just assume it was her 39th and looking to her next 39th, of course.

ON YOUR

SEVENTIETH ANNIVERSARY

I am proud to be a member of the Lodge; and yes I am proud to have had the opportunity to serve as Master of Harmony Lodge. As you know, it is the highest honor that the Blue Lodge can bestore upon one of its members.

May the Grand Master of the Universe continue to shower his blessings upon you always.

Fraternally yours,

Joseph Wilson P. M.

Horace C. Hopper

Horace Charles Hopper born to Charlie and Carrie Hopper in Morrilton, Arkansas on September 15, 1915. Horace was the oldest son of nine children.

Separated from his mother and seven brothers and sisters in 1923, Horace moved with his father and youngest sister in Foreman, Arkansas. There his father found employment clearing land on a plantation.

In his early days, Horace was unable to acquire a formal education, although, self taught, he held successfully several jobs.

Horace's early religious convictions came by attending Sunday School and church in a small one room building where his father was a Sunday School Teacher. In 1944, he joined Center Star Baptist Church in Little Rock, Arkansas where he served as an usher.

After his father's death in 1929, Horace, then deparated from his youngest sister, moved to Texarkana, Texas where he found employment in a saw mill.

In 1939, Horace moved to Salt Lake City, Utah where he was employed by the Civil Defense Department.

In the Spring of 1940, Horace was reunited with his mother, youngest sister, and seven other brothers and sisters.

In 1946, Horace met and married Marie Gertude Jones of Clarksdale, Mississippi. Four years later in Little Rock, Arkansas, their first child, Grace, was born. The family decided to move to Seattle, Washington, the year 1950. Later, the couple would be blessed with 12 more children, six boys and six girls. Their children now sing as the Hopper Family Singers, a popular gospel and spiritual singing group.

Now retired from the Sellen Construction Company, Horace is a member of The Mount Zion Baptist Church, where he serves on the Senior Usher Board, and a member of the Harmony Lodge #2, where he holds the position of Senior Steward.

FREDDIE MOORE, SR.

Born February 12, 1922, in Melville, Louisiana and the eldest of four children.

In 1942 joined the U. S. Army and those duties led him to England, Germany, and France. He was stationed at Camp George Jordan and left in 1946 and came to Ft. Lawton and was discharged in 1948.

In 1948 he married Clarice and have been married for 32 years. He has 2 daughters and 1 son, and 7 grandchildren.
