Gospel Music Workshop Of America - Seattle Component

The Washington State Chapter of the Gospel Music Workshop of America, Seattle Component, is currently accepting new members. GMWA, founded by the late Rev. James Cleveland twenty-seven years ago, is the world's largest gospel music organization. Wash. State Chapter GMWA, under the direction of Willis Devone in Tacoma, was organized two years ago. The newly formed Seattle Component is presently under the direction of Sis. Ollie Taylor.

GMWA strives to promote and preserve gospel music as an art form, and to aid and assist music departments in churches of all denominations. It is therefore essential that all GMWA members be active and in good standing in a local church.

As the Seattle Component continues to strengthen and organize, there are still opening for singers, directors, and musicians. Individual auxiliaries have also been established, including Evangelist Board, a Drama Guild, a Men's Department, an Usher Board, and a Nurses Guild.

Rehearsals for the choir are held on Mondays at 7pm at Greater Revival COGIC, just east of the intersection of Rainier and Ferdinand (the church address is 3810 So. Ferdinand). The Seattle Component Choir will be accepting new members up until January 1, 1994. For further information, please contact Sis. Ollie Taylor at 329-8742. The Seattle Component is praying for a successful music ministry and looking forward to seeing you!

My Thoughts Of My Sister Delia J. Pringle**My Sister - May 1, 1962/June 93**

So Sweet, So Free, everyone is looking for

Dee Dee.

She was the one who held us all together,

no matter who nor showed no favored.

She kept us all in tears of joy, and

sometimes

we had her in tears of sorrow.

But she never once turned her back, she kept

her head to the sky, and pray for a better

day to come by.

She was my only sister in the whole world,

my friend, my mother, my father, my girl.

She was the best mother any woman could

be, and a wife that never once gave up, just

let her relationship be.

I love my sister who was taken so fast,

God called her and she went on and passed.

Now I'm left with only memories, of Dee-

Dee and me and the rest of my family.

I love You (Della-Dee)
