You're God's Masterpiece

God had a special plan in mind, when He created someone kind. A person blessed with dignity and pride. He gave that person generous love. Strong faith with guidance from above, and placed a great and tender heart inside.

Then God according to His plan, provided for this special man. a family of his own to love and raise. So faithfully the man believed, and blessed by love his own received, the gifts God gave through him in endless ways.

And though his children now are grown. He's still providing for his own. A love that like the Lord is strong and great...He's a grandfather, God's work of art. Whose caring nurtures many hearts, with love that took a lifetime to create!

There couldn't be a Grand dad more loved or more admired that you... Grand-Dad!

Appreciation

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a funeral spray, if so, we saw it there. Perhaps you spoke the kindest words, as any friend could say. Perhaps you were not here at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much, whatever the part.
