New Garfield Gym Now Open

The Garfield gymnasium will be open when school starts September 5, though the paint will be barely dry and a few details unfinished. Delivery of lockers has been delayed, apparently due to the iron workers strike. At present the last minute plumbing, wiring and tile laying is being rushed to be finished in time. Some of the gym apparatus will not be installed the first week.

The former boys and girls gyms have been converted into one large, modern unit for girls physical education classes. The locker and shower rooms have been installed and refurbished.

In other remodeling, the new book room and teacher facilities are ready for use.

Democratically Speaking....

The tempo of political activity will reach its peak during this week and over the weekend. With the primary election on Tuesday, Sept. 11th, candidates of both parties are hard at work endeavoring to obtain their party's nomination. In the 37th District, one Senator and two Representatives will be nominated for each party. In the Final Election, November 6th, one Senator and Two Representatives will be elected.

Many votes cast their ballot for the man, not the party. Little do they realize that in the majority of cases, that 'man' will follow the party line and program. The Democratic Party has a long history of being concerned with the "little people", - the workers, the aged the unemployed.

In the State of Washington, the Democratic Party supports Youth Conservation and Development Corps, the Surplus Food Program, Consumer Protection Laws, increase in Minimum Wage and Disability Payment, vocational rehabilitation to put welfare recipients back to work, institutions program geared to rehabilitation instead of detention, helping Senior Citizens with medical and living needs, education appropriation including teacher salary increases, and full constitutional citizenship for all in employment, housing and recreation without regard to race, creed, or national origin. All Democratic candidates in the 37th support this program.

Our "SUPERIOR" candidates are the following:

FOR SENATOR: Fred H. Dore, INCUMBENT. Senator Dore has had 10 years of legislative experience, serving both in the House and Senate. Fred has been a sponsor and supporter of the New Justice Court Reform Act, the Metro Act, Judicial Council Bills, Civil Rights Bills including the expansion of State Board Against Discrimination functions to include Housing, Employment and Public Accommodations, the Off-Street Parking Act, the Budget and Accounting Act and equitable pensions for Senior Citizens and many other programs.

FOR REPRESENTATIVE: Samuel J. Smith, INCUMBENT. Rep. Smith has had 4 years of legislative experience, gaining the reputation of "A Proven Fighter." Sam has sponsored and supported the law to prevent Discrimination in employment of persons between the ages
