Ruby Jewel Jackson was born on May 2, 1934, in Satin, TX, to the late L.C. Majors Sr. and Alvie Pimpton Majors. She was married at age 17 and in that union she bore seven children. In 1959, she moved her family to Seattle, WA and worked at Boeing for over 30 years, before retiring. Ruby was a loving and devoted mother & grandmother who enjoyed attending family gatherings. She was known for being a competitive bid whist player and she loved playing bingo and checkers. She was well respected and loved by many. Often times, people would seek her out for personal advice. She willingly shared her wisdom and always provided words of encouragement to anyone. On Monday, May 12, 2014, God called Ruby Jewel Jackson home to rest. She is survived by 4 daughters, 1 son, 10 grandchildren, 14 great-grandchildren, 1 great-great grandchild, 3 sisters and 3 brothers.

A Tribute to Billy His Name Was Sir,

We knight thee! Sir Williams (Billy) Gray Cunningham the III. Born May 23, 1988 - August 18, 2012

I'm writing this letter because I can't let another month or year go by without telling everybody about Billy, he was not just another body or casualty, this was one talented genius of a young 24 year old in other words he was extraordinary.

As a student at Ballard High School Class of 2006, Honors & Awards Program he was awarded the above and Beyond Service Learning Scholarship, and the Achievers Scholarship, The Black Achievers Scholarship and the Seattle School District Scholarship.

Billy was a double psychology and sociology major at the University of Washington, a Clarinet player in a marching band, a photographer, a calligraphy writer, tutored and a cook at the frat house.

In his short life he touched so many many people, we really didn't realize it until his death. People from California, Oregon,

Texas, Taiwan, North Carolina, to the President of the University of Washington and all his Fraternity brothers, who will be planting a tree on the UW Campus in his honor. Teachers from grade school, middle school, high school and his professors all remember Billy, we also have to thank the police officer who worked on him with CPR. He brought people to there knees when they heard of his death because he was the kindest person you could ever meet, always helping others when he could, like while on vacation in Taiwan, a American lady put her trust in him to show her around Taiwan for four days. Billy helped the people on his job, his family and his frat brothers when they had a problem, he is such a great loss and a hero.

We don't know why he took his own life that August 18, 2012, but I guess he did all he was suppose to do on this earth and it was time to leave and go to his heavenly home. He is terribly missed, and on that special day August 26, 2012 we all came together, it looked like the United Nations with all the different races and religions. We all came together in one room an became one, the human race and one God to say goodbye and honor a very special person we named Sir.

Love You!

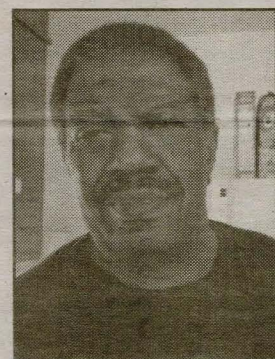

Your family. Mother, Wendy & Duane (stepfather) Winslow, brothers, Cory Wilkins(Cynthia, Divinity (niece) and Josiah (nephew) and Darius Cunningham; sisters, Deanna and Shawntia Cunningham; grandmother Katherine Wilkins and Devaughn Cunningham; great grandmother, Juanita Proctor and many aunts, uncles cousins and friends.

Happy Birthday (May 23, 1988)

"I smile to make myself happy and I help as many people as I can to make me feel worthy"
