CENTRAL AREA CHAMBER OF COMMERCE NEWS

BY DECHARLENE WILLIAMS

Today I am writing to tell you all about our great event that took place on May 10th: "BUSINESS DAY OUT" - Celebrating Dr. Millie

Russell. This event was awesome! I was so pleased with all of

Dr. Millie Russell family, they all showed up with such positive things to say about their love one. Millie herself was unable to attend due to her recent visit at the hospital, however her daughter Dr. Pat Russell stood in for her with such wonderful things to say about her "MOTHER" as all of the family

gave a short talk about what their "Mother" means to them, and Connie Bowen who has been a sister-in-law of Millie's for 18 years, described a beautiful relationship and friendship that they share.

The sons of Millie were so very, very, thankful too the Central Chamber for doing this event in there mothers honor.

I would like to thank everyone for there support for showing up, like Mr. John Sheets formal of Douglass truth library and all the others friends of Millie's for supporting.

Dr. Henry McGee I would like to send thanks for being a personal friend of Millie's, which entails stories of T. Marie Floyd, for reaching out to a dear friend for over 50 years. I would like to Thank Ms. France Carr for donating, to help make things run smoothly.

We had to change the date, on a short notice (1 week before) However we manage to get the news out. I am so sorry for those of you who wanted to attend and could not come out for Millie's tribute, however she felt the "love" and I feel blessed that we kept things going. God was in that place with us! Thank you Mr. Karl Harris and his committee for putting on a great 'BUSINESS NIGHT OUT' program. It was a hard task but they got the job done. (Smile)

As you know Central Chamber's Annual 31st JUNETEENTH FESTIVAL is now called "International Juneteenth" Because Black People from down south (250years ago) have migrated to others parts of the WORLD! Juneteenth was once known to be called the June 19th celebration which took on this name due to the fact that in 1865 freedom came to those en salved people. Free at last, free at last! Salves shouted as they learned of freedom. As we read slaves revived there word at different times because some states knew before other states. The earliest announcement was made in Washington D.C. on January 1st, 1863, which was the date the EMANCIPATION PROCLAMATION WENT INTO EFFECT. Two months after the civil war ended the announcement was made in Galveston, Texas by General Gordon Granger and his soldiers that Order #3 had arrived with a proclamation from the executive of the United States that all are free. Which involved an equality of personal rights and rights of property, between former masters and slaves, and connection hereto existing employer who hired for labor must pay up, which would have allowed them to collect at the military post which we know never happen! The people did not get paid! This new state was called Confederate States of America. The stories go on as to why Black American never received payment!

In September 1862 President Abraham Lincoln decided to use his authority as president and commander-in-chief to free salves in confederate States of America. As of today we have not been paid or received our correct benefits, so we must keep our story out there in the open and come up with a solution to correct the things that we did not get at that time! If you are a none believer please keep the

Negative to yourself, because GOD is for us!

In connection with our Juneteenth celebration, we will be working with several different companies and organizations. Please pass the word for June 6, 7, and 8th. at Pratt Park 20th Yesler way zip code 98122.

We are taken booth application for venders, if you need school community service hours, you may obtain them at our event, If you would like to volunteer you can do this too. If you are a entertainer you may be apart of the entertainment program please let me hear from YOU call 206 322 8296 or 206 3252864.

Thank you pass the word and help us keep things going for us and by us.

I love you all and May God continue to bless you. Thanks for reading!

Revolution roughs up Seattle

The Seattle Sounders FC (7-3-1 22pts) suffered a shocking 5-0 defeat to New England Revolution (5-3-2 17pts) in Gillette Stadium.

The 5-0 defeats was the worst loss in MLS history for FC Sounders.

The loss to the Revolution was a simple case of the Sounders being too aggressive and paying the price for leaving the back line vulnerable.

When you have the leagues best offense an old school strategy of counter attack against the run of play when you get the ball can pay dividends as shown on Sunday by the Revolution.

"It was just one of those days, we had more of the game in the first 15 minutes, but we got caught pushing to many guys up front, Sounder FC coach SigiSchmid said after the game. The Revolution scored four first half goals and there fifth was an own goal with one minute gone in the second half.

The loss still leaves the FC Sounders first place in the Western Conference, while the Revolution remained tied for top spot in the Eastern Conference with Sporting Kansas City.

Game Notes:

Scoring Summary:

NE- Patrick Mullins 14'

NE- Diego Fagundez (Chris Tierney) 29'

NE- Teal Bunbury 36'

NE- Diego Fagundez (Teal Bunbury) 41'

NE- Chad Marshall (own goal) 46'
