

MARCH

Sunday 9

Worked on Mt Shasta from Strawberry valley with good results. Had a charming time with my mutual friend- I am sure we will not forget this eve.

Monday 10

Worked on Morning Upper Cascade Columbia with fair results and nearly completed it. Paid my rent for Month \$70. Sent draft to J. C. Ma for frames in full. I had a pleasant time with my favorite visitor

Tuesday 11

I worked on and finished Mt Tacoma from Crater Lake to day and did some work on Mt Hood from Lost Lake. Received a letter from H. D. McGuire

Wednesday 12

I went out about 10 miles to day to see some land that wish to purchase but I can not manage it as I have not enough money. Had to walk a long way. Pet stood the walk very well.

Thursday 13

Worked on Sunset Mt Hood from lost Lake but did but little work on it It is very pleasant and I had a pleasant visitor with me.

Friday 14

Worked on Sunset Mt Hood from lost Lake with fair results. It is nearly finished.

We had a jolly visit to day in the studio. We will not forget it the longest day we live.

Saturday 15

Worked on and finished Mt Shasta from Strawberry valley and consider I did a splendid days work. I commenced looking over the brink of the Yellowstone falls and down the canon.

Sunday 16

It was a very pleasant day and I was out much of the day. My visitor was with me in the afternoon. But in the evening I was alone and reading the newspaper for

Monday 17

Worked on Looking down the Yellowstone from the Brink of the falls. I did a bad
