MARCH

Wednesday 26

Worked on the Yellowstone Canon from the brink of the falls with good results

Thursday 27

I worked on the looking down the Yellowstone from the brink of the Falls and nearly completed it.

Pet was very ill today I was much frightened

Friday 28

I worked on and finished nearly all the paintings. I have commenced since I have been in Seattle. All of Mr. Rev paintings are completed now. Pet was very ill today but I could not be of any assistance to her.

Saturday 29

~~I worked on and nearly completed Sunset Mt Jefferson to day I did a good days work as well~~

I worked on and nearly completed Sunset Mt Jefferson from the Hood of Hodd today. I did a good days work as well.

Pet is much better today. Recd Tax list from my attorney to day.

Sunday 30

I did not do any work today but loafed about the streets all day. Pet and I had a pleasant visit also.

Monday 31

I commenced Sunset Mt Tacoma from Lake Washington also commenced a painting of Mt Hood. Wrote several letter this evening Pet came very late to day

APRIL

Diamond
Tuesday 1

I commenced Dinwand Cliff at upper Cascades Columbia River and did a good days work.

Pet was with me and read all day I enjoyed it very much.

Wednesday 2

I commenced Three Brothers at the upper cascades. I did a fair days work. We
