at the studio but no one came until about 4 P. M. It was a stormy afternoon.

Saturday 12

I was cleaning up the studio all the morning. There were about 50 people came in to day to see the paintings. But there is no prospect of making any sales.

Sunday 13

I spent all day at the studio to day with my mary and we had a jolly good time. Mr M called this afternoon. Remained at the Hotel this eve. Pet looks lovely.

Monday 14

I worked on the Columbia and Diamond Cliff at the upper Cascade with fair results and nearly completed it. Mrs. Berle Hoff Richter called to day Pet and I had a jolly this eve.

Tuesday 15

I rushed in a small painting for my May to copy this forenoon & she did quite well to. About 100 persons visited my studio to day but made no sales and not any prospects to make any.

Wednesday 16

Received 7 frames from Chicago in good order. I have all unboxed. This is the last day of reception and about 150 persons came to see my painting.

Thursday 17

I cleaned up the studio today and it was a hard job. I placed the three large frames on with the paintings.

Some visitor called to day but no sales.

Friday 18

I painted a view at and finished the same. Also finished a small New

Saturday 19

I finished a small painting of Diamond Cliff Columbia River 18 x 36. Also finished looking down the Yellowstone Canon from the fringe of the falls.
