

NEW STRANGERS REST WORKSHEET

Bonnie's list is transcribed under "Bonnie." All columns to the right of Bonnie's are Martha's lists. Martha's lists are completed only to the extent they don't agree with Bonnie's, and the differences are underlined. A "✓" in one of Martha's three columns indicates complete agreement with that portion of Bonnie's list.

Abbreviations: CD - City Directory; DC - Death Certificate; TDI - Bureau of Vital Records Death Index (Texas), accessed on microfiche at Clayton Library. Unsuccessful searches in TDI are presumed to include all name variations in all counties in Texas that could possibly match date, unless other indicated. All deaths from TDI records occurred in Harris County unless otherwise indicated.
