Martha:

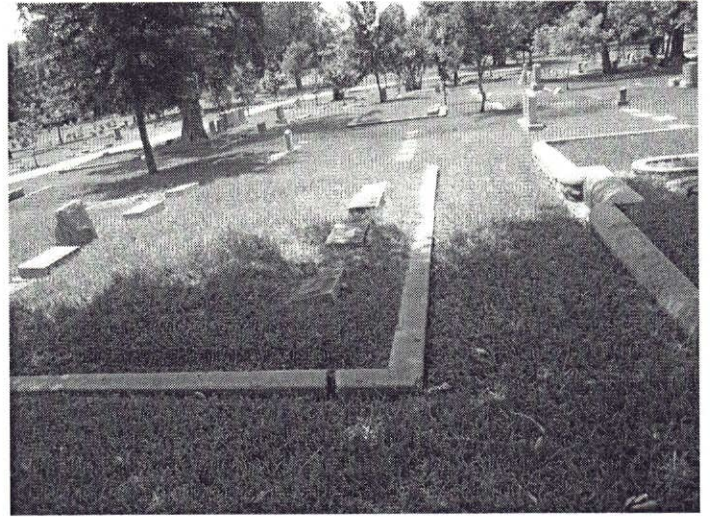

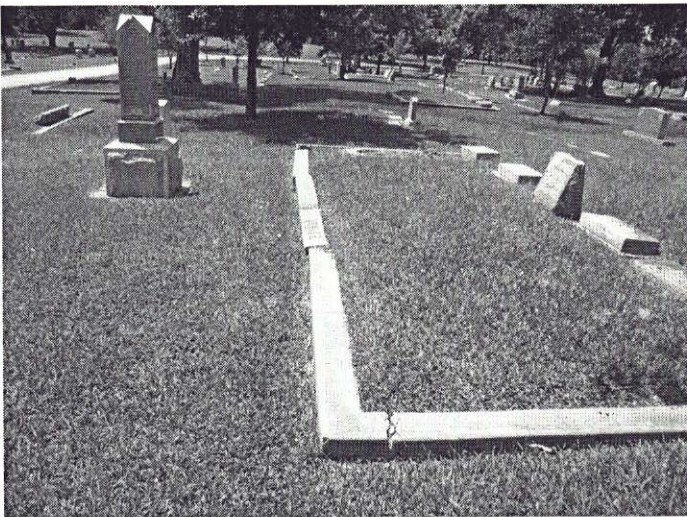

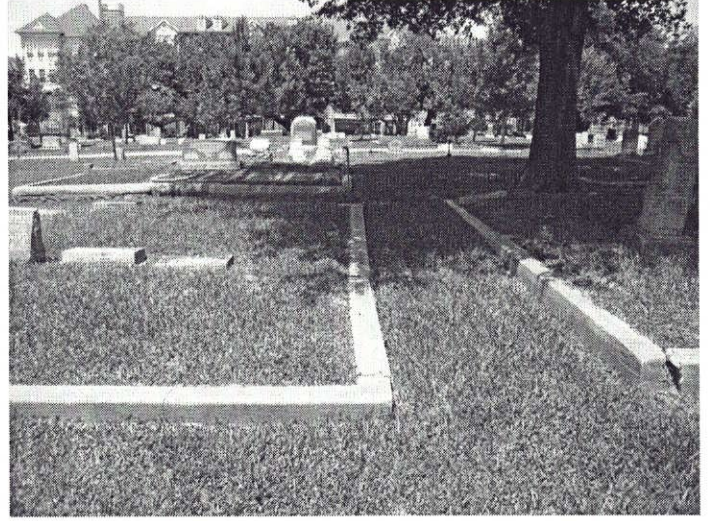

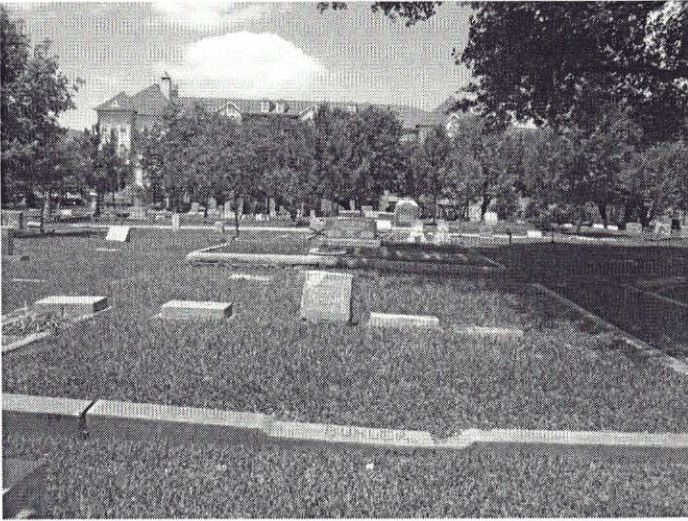

Per RAA, please prepare estimate on the Buhler Lot, Washington G-63 as the lot owner would like a breakdown in cost to repair.

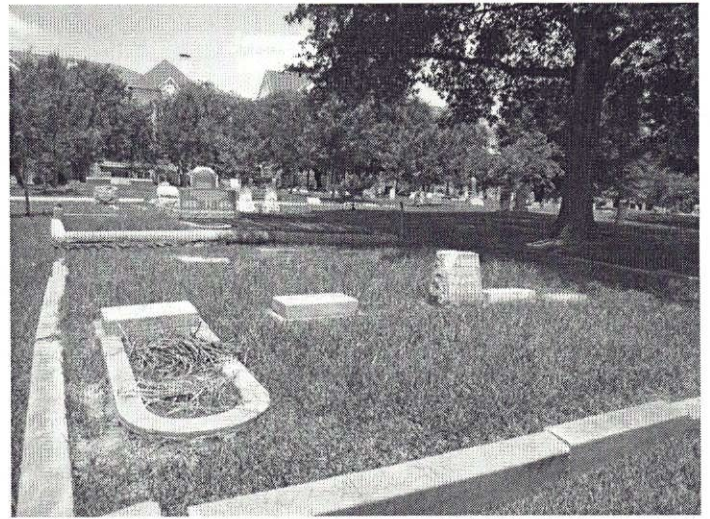

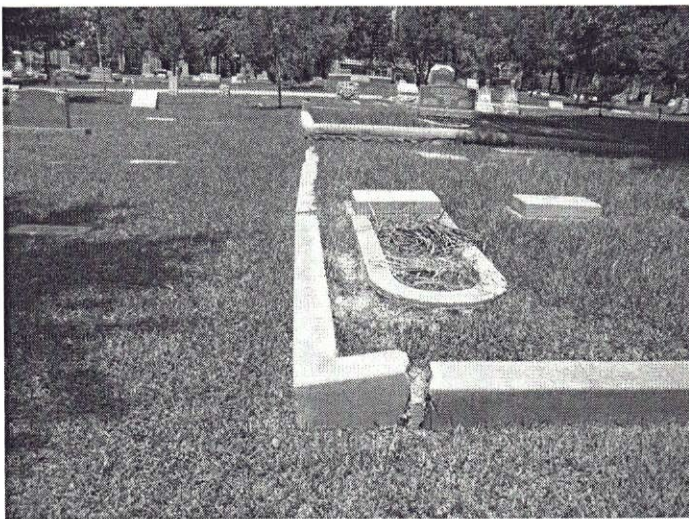

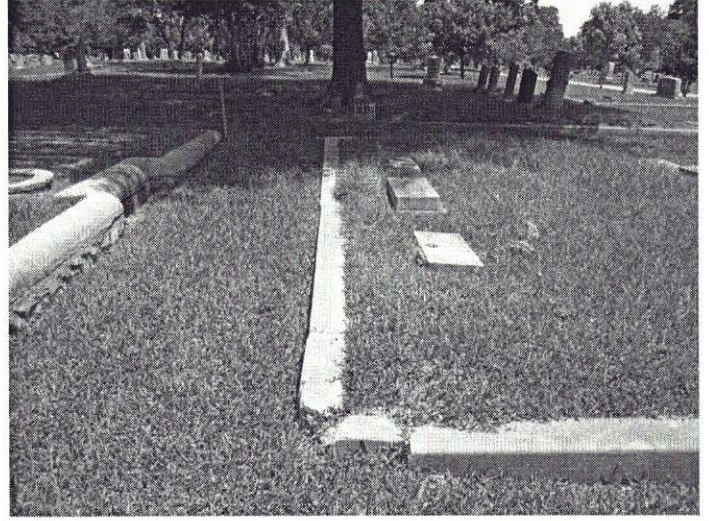

- 1. Repair of coping/foundation:**
- 2 Leveling of ground inside coping:**
- 3. Removal of existing plants inside cradle and replace with white rock:**
- 4. Resetting of bases and markers:**
- 5. Cleaning of markers:**
- 6. Grass replacement, if necessary:**

I will need a copy of your estimate in order to prepare the correspondence to lot owner. RAA will add his markup accordingly.

Thanks,
