There is a large lot at Glenwood Cemetery that was purchased on March 1, 1874, by the Knights of Pythias Texas Lodge #1 in Houston, Texas. Our records indicate that there are 16 burials on the lot (between 1885 and 1927), although only three are marked. We have not had contact information for the lot for some time. Is there still a Knights of Pythias lodge in Houston? I have been unable to locate a directory listing for one.

I was unable to locate a Houston address for this lodge, so I e-mailed the Grand Lodge of Texas in Fort Worth. The Lodge Secretary, George Fox, responded by telephone and told me that the Houston lodge became inactive many years ago and was officially disbanded about 2000. I told Mr. Fox of the need for repairs to the lots at Glenwood and asked him if the Grand Lodge of Texas would participate with GCHPF in that cost. He said he was hoping we were calling to see if they would sell the lots to us for cash. He said Forest Park Lawndale paid \$7,000 for their unused spaces there. They have no money to spend on restoration at Glenwood.

I sent Mr. Fox a copy of the Single Member Profile showing burials on the lot, the notable interred brochure, and the GCHPF brochure.
