Directors Report

It is a far cry from the minimum building restriction of \$20,000 for the choice property on the Ranch back in the early days of the community, 1927 to be exact, to the \$60,000 minimum voted by the Board of Directors of the Rancho Santa Fe Association at the Jan. 15 meeting.

With the great rise in building costs since the last restrictions were set in 1955, the Board felt that in order to preserve the present level of construction on the Ranch that new minimums commensurate with today's market needed to be set.

The following tables show the minimum restrictions set for the Ranch in the years 1927, on the left; 1955, center; and 1960, right.

\$ 3,500.00	\$14,000.00	\$21,000.00

Resignation

The resignation of A. H. Dutton as a member of the Youth Activity Committee was accepted and President Weddell appointed William Pfennig as chairman of the Youth Activity Committee, which was approved by the Board.

Secretary Smart was re-appointed manager of the Rancho Santa Fe Association for the term of one year, effective Jan. 1, 1960 through Dec. 31, 1960.

Applications approved for the "Keeping of Animals" were those of Arthur S. Hill, Philip Zimmerman and Robert E. Mannion.

Preliminary plans for development of the George Richardson Memorial were approved, and it was voted that the existing gasoline contract with J. A. McClure & Sons be renewed.

Approval was given to the application of Marilyn Shepard for a sign permit to be used on block F, map 1742, and to the application for line realignment of John Heddon of a portion of lot 2, block 24.

Applications Denied

The subdivision application of

William Wood of a portion of lot 6, block 14, was denied as was the realignment application of Mme. Elliott C. McIntire of portions of lots 52 and 53, map 2129, gross revenue for December, 1959:

Golf course revenue: Green fees, cash, \$4,811; playing privileges, \$4,186; electric carts, \$1,024.30; lockers, \$7.50; total, \$10,028.

Golf shop: Hand carts, \$107.50; electric carts, \$264; cleaning and storage, \$391.50; merchandise, \$4,517.70; total, \$5,280.70.

Restaurant and bar: \$6,091.30. Total, \$21,400.80 — a gain of \$3,441.47 over last year.

Dr. Meyer Urges Ranch Support For Tri-Hospital Building Fund

The following letter has been received from Dr. Herbert Willy Meyer in regard to the Tri-Hospital Building Fund Drive, now in progress in San Diego County.

Dear Editor:

I believe the majority of the families living in Rancho Santa Fe are cognizant of the publicity that has been given to the Tri-Hospital Building Fund Drive which began last September.

The purpose of this drive is to take care of the drastic and urgent need for more available hospital beds, facilities and equipment at our three main hospitals in this area, Scripps Memorial Hospital in La Jolla; Mercy and Sharp Memorial hospitals in San Diego.

There may, however, be some families who have as yet not heard about this drive for capital funds.

We cannot know when lightning may strike and when some member of a family may need immediate admission to one of these three hospitals.

The terrific and almost frightening shortage of beds in all of San Diego County with the rapid growth of population has necessitated this drive. There is no time to waste. The drive cannot and will not be postponed.

A committee is being formed

on the Ranch to help in this campaign, with myself as chairman and La Motte T. Cohu, co-chairman.

Informative literature in the form of a brochure will be mailed to every family on the Ranch. Any resident not receiving one may contact me.

We feel certain that many families will wish to participate and subscribe to this important cause. Other families may already have contributed through their offices and business associations. We, of course cannot know who these families are, so beg their indulgence if approached.

I would plead with every resident to read the brochure which is both interesting and informative. It has been exceedingly well done, telling the story of this immediate necessity. Please do not discard it without at least having read it.

Shortly, a member of the committee will contact Ranch residents to answer any questions. The cooperation and participation of everyone in this campaign is vital to the community and might even prove to be life saving.

Sincerely,

Herbert Willy Meyer, M.D.

Cultural Development

Party Will Acquaint Ranchoites With Fine Arts Gallery Program

Rancho Santa Fe residents interested in the cultural and educational climate of Southern California will have an opportunity to learn of the plans of the Fine Arts Society's Development Program at a cocktail party to be given Feb. 15 at the home of Mr. and Mrs. John E. Howe.

Edward S. Hope, chairman of the Development Program; William T. Stephens, co-chairman; Michael Ibs Gonzalez, president of the Fine Arts Society, and Warren Beach, director of the Fine Arts Gallery, will bring to our community the story behind San Diego County's rising stature in the educational and cultural fields.

San Diego will take its place as one of the world's great art centers, according to Mr. Hope, when the Development plans presently under way are completed.

The Fine Arts Society Development Committee already has raised more than \$453,000 toward a second wing, which will flank the present beautiful Gallery on the West. This wing will include a major children's area, an adult program center, an enlarged library, and new exhibition areas for the Gallery's major collections of American and Asiatic Arts. Special emphasis is to be placed on the Children's

Section to accommodate adequately the ever increasing number of young people taking advantage of the varied classes and activities offered them by the Fine Arts Society.

This major wing, which will approximately double the size of the present Gallery, is in addition to the proposed wing being built to the East of the Gallery by the Timken Foundation. The Timken Wing, a \$1,000,000 structure, will house the Putnam collection of great European Old Master paintings, which is valued at more than \$2,000,000.

Mrs. C. Gray Stewart is general chairman for the party, and Mrs. La Motte Cohu, co-chairman. Assisting as hostesses are: Mmes. Charles A. Chapin, John M. Cook, Alex DeBakcsy, W. R. Fawcett, Howard G. Harrison, Arthur R. Lindburg, Paul E. Lloyd, Robert L. Maw, H. Ray Millard, Ward A. Miller, Dorothy B. Patton, Arthur G. Thorne, Kenneth S. Walker, Hampton G. Wall, C. K. Whittaker.

Both Mrs. Maw, who has moved recently to Quiet Hills near Escondido, and Mrs. Stewart are members of the Board of Trustees of the Fine Arts Society.

Riding Club Has Election

Charles A. Chapin will wield the gavel another year, so decided members of Rancho Riding club at their annual dinner meeting in mid-January.

Howard Wellman was elected vice president; Mrs. Walter C. Young, secretary, and Alfred A. Gregory, treasurer.

New board members, taking the places of Mrs. W. R. Devine, Russell Fellows and Emmett J. Manion, are Mrs. Anthony Mahon, Mrs. Alwin Trepte and Mr. Wellman.

'Hard Luck' Fun In Store For Cotillion Groups

Area young people will enjoy a "Hard Luck" party at the Feb. 20 gathering of the San Diego Cotillion in the Rancho Santa Fe Garden Club.

Mrs. Harold W. Balch, president of the Cotillion board, announces that the grade level chairmen have been included as board members. They are Mrs. A. F. Hunt, of Cardiff, sixth grade; Mrs. Charles Gibbs, of Rancho Santa Fe, seventh grade; Mrs. Joseph Tworek, of Solana Beach, eighth and ninth grades.

Arboretum Trip Planned In March

Marked with red on their calendars by Garden Club members is the March Garden Forum, which promises members an excursion to one of the beauty spots of Southern California.

A trip by chartered bus, or busses if need be, to the Los Angeles State and County Arboretum is planned for March 2.

Don Wooley, who gained favor with Garden Club members with his talk over a year ago at one of the meetings, will give the group a personally conducted tour through the Arboretum, of which he is chief horticulturist.

Mrs. John Cook, chairman of the Garden Forum program, announces that luncheon will be served in a private dining room at Eaton's.

Early reservations for the day are advised, as the committee has to make arrangements for the number of busses needed.

PATIO NEWS — This is a scene at the Garden Club where a new patio is in process of being built, which will give added space to this active group.

Trader's Shop Discount Sale Set in February

Looked forward to each year is the annual 25 per cent discount sale held by the Country Friends Trader's Shop. The sale starts Feb. 1 to last through the month and many are the rare bargains to be found in the shop.

Some of the extraordinary values noted in the antique furniture section includes two captain's chairs, Gov. Winthrop desk, boutique pine cupboard with its original glass, butter-nut chest, two French chairs, antique baby cradle, drop leaf table, tilt top dining table and a love seat covered with antique satin in a deep apricot color.

All of the Early American glassware is reduced and there are a number of pieces of very old pewter; new pieces of antique jewelry have been obtained for the sale, and displayed in the window are three Girandelles with original crystal prisms.

There is an original Van Hy-sum painting with interesting frame, and more practical articles include an electric percolator, carpet sweeper, electric clocks, movie projector and typewriter.

Ranchoites are urged to take advantage of the sale, especially since the proceeds to go aid the San Diego County Charities.

Country Friends Meet Talk By Bernice Morris

"Alcoholism, as a health problem, ranks third in the United States Public Health Service survey, preceded by heart and cancer," stated Bernice Morris, in her talk at the Jan. 28 meeting of the Country Friends.

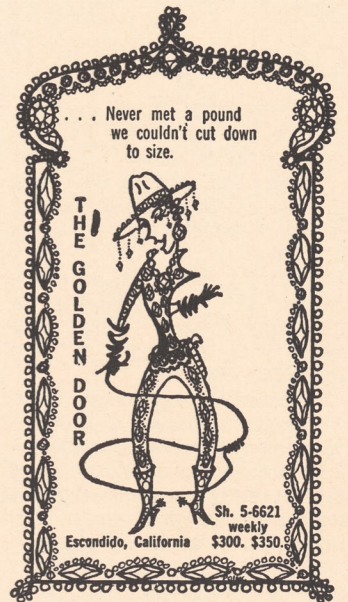

Held at The Inn, this was the first in three luncheon meetings planned by the Friends for 1960.

Miss Morris was instrumental in the formation of the Crossroads Foundation, an organization which aids in the rehabilitation of women victims of alcoholism. Professionally, she is a research attorney for Judge Jacob Weinberger.

Miss Morris stressed the need for greater education on the subject of alcoholism. "Alcoholism may be a pleasant social beverage to one person who knows how to use it, but to another, it

is a poison. We must learn what the danger signals are, and how to recognize the beginning of the disease."

She further stated: "The help which our club women and church women can give through their respective organizations can be of inestimable value. In many homes today, intelligent, well-brought up women are sitting, drunk and desperate. They are afraid to seek help, because of the stigma society has placed on alcoholism. This type of women makes up 95 per cent of our women alcoholics. They are the "hidden alcoholics." And usually they remain hidden until they have lost everything they value — position in society, home, children and health.

SFID Will Invest Portion Of Large Land Sale Fund

At a regular board meeting, directors of the Santa Fe Irrigation district voted to invest \$100,000 in six months bills. The \$100,000 will come from the land sales fund which currently totals \$136,848.29.

No action was taken on a discussion of the possibility of equipping district cars and trucks with telephones or two way radio system.

A resolution was passed authorizing the signature of a declaration of restrictions for the escrow proceeding on 800 acres of land recently auctioned by the district to Edward Ames Edmonds, Inc., which is planning

a subdivision of the area.

The district directors also agreed to supply water to the county sanitation department for a pumping station located just outside the district, but which will operate for the benefit of the district.

The Women's Council of the Village Church will sponsor an educational series on the World Service Program of the church, announces Mrs. Raymond Gordon, president of the Council.

The Executive Board of the Council met Jan. 19 at Mrs. Gordon's home, at which time the action was taken. At each of the five meetings, scheduled for 1960, some phase of the program will be presented.

The first meeting, a tea, is scheduled Feb. 17 at 2:30 p.m., in the lounge of the church, when the program will be explained to the membership. Mrs. Paul H. Dobson is chairman of the tea hour and Mrs. La Motte T. Cohu will lead the devotions.

Mrs. Gordon urges anyone in the community interested in attending, do so, as membership in the church is not a requirement.

Local Firemen Take Classes

Fire Chief James Fox, whose class for pump class operators ended Jan. 14, started another Jan. 25, which is open to any firemen. The classes, sponsored by the San Diego County Fire Chiefs Association, are held two nights a week, Monday and Tuesday, for alternating shifts, at Palomar Junior College.

George Crane and James Durant, of the local Fire Department, have just completed the course, also the class taught by Fire Chief Ward Ensley of Escondido on Fire Fighting Tactics. Chief Ensley formerly taught for the Fire Services of the State Fire Department.

The two local firemen are now enrolled in the class in Fire

prevention taught at Palomar College by Fire Chief Jack R. Billings of Oceanside.

Rancho Santa Fe should be congratulated on having firemen who give of their off-duty time to become more efficient in their work. And the same to Chief Fox, who donates his time to teach the class.

Classes Started

The Men's Council of the Village Church has started a series of classes on the four Gospels, which meet each week on Tuesday, 8 p.m., in the Educational Wing of the church.

Dr. Kirk O'Ferrall conducts the classes, which are open to women of the church also.

TREACLE and INK

By
THOR SVENSON

Jonathan Swift once wrote, concerning an importunate invitation to dinner: "He showed me a bill of fare to tempt me to dine with him. 'Poh!' said I, 'I value not your bill of fare — give me your Bill of Company.'"

Surely the "mad parson" preferred to the gourmet temptations offered by his host, the better "Bill of Company" found in such places as Will's and Button's Coffee House. It was the age and these were the gathering places of such men as Wren and Boyle; of Dryden, Pope, Addison and Steele; of Johnson, Goldsmith, Prior, Gay, Defoe, Fielding; of Reynolds, Gainsborough, Kneller and Hogarth; of Garrick, Buinn and innumerable others beginning with the Restoration Period.

Will's and Button's were only two of the thousands of coffee houses which gave every trade, every politic, every taste, its favorite meeting place. The taverns, because of drunkenness, lost their favor and it was the coffee house which served as a place for intellectual stimuli, social intercourse and democratic assembly.

First Newspaper

Here too the "Quacks" proffered their elixirs, here the great struggle for political liberty was really fought and won, and here the first newspaper began. As Issac D'Israeli has so rightly written: "The history of coffee houses, ere the invention of clubs, was that of the manners, the morals, and the politics of a people."

After 100 years the coffee houses began a decline. The place "Where men of differing judgments crowd, and that's a coffee-house, for where should

men discourse so free as there?" began to disappear with the evolution of the private clubs, the attempt by the coffee men to form a monopoly on news sources and the East Indian Company's interest in tea.

But the coffee houses had served their purposes; they had been a meeting place for political freedom, for literary criticism and debate. The highwayman, the Oxford student, the "Wits" such as Dryden, Johnson and Steele, the great company who paid their humble penny at the bar had bequeathed to the world from these Penny Universities — standards for the arts and life which are as significant today as they were 250 years ago.

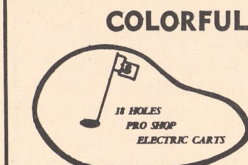

On The Rise

It is interesting to note that once again coffee houses are on the rise; especially so in the United States. Significant too is the fact that in the past whenever these houses have been introduced, it has caused trouble. In Paris or Marseilles, in Hamburg or Vienna, in London or in Cairo, there has always been trouble. Religious zealots, vineyard owners, politicians, tavern and bar-keepers have protested. In San Diego was it not because they were without a cabaret license?

Or hasn't it been said that they are a gathering place for beatniks? Time-wasting distractions? They disturb the peace?

There are many now in San Diego city and county. Certainly there will be even more.

What is their atmosphere? Are they similar to the ones of Queen Anne's England? Can we hope for just a bit of the greatness realized from those of the

past?

These are questions which we must answer in evaluating them as part of today.

Perhaps we will not have a repetition of the those geniuses of the eighteenth century but one cannot forget what is written in the Arabic: "Wherever it (coffee) is served, one enjoys the society of the noblest and most generous men."

Backyard Swim Instructors To Be Trained

The Ranch's Summer Red Cross Backyard Swim program will get underway Feb. 8 when would-be instructors will be tested and registered. The registration will be at the home of Mrs. Alex DeBakcsy at 10 a.m., who says that her pool is heated.

The instruction course will be held daily from Feb. 9 through Feb. 12, from 10 to 12 o'clock in the morning. Since eight hours of training are necessary, make-up classes will be held Feb. 15-18 at the same time for any who have missed.

The course consists of techniques of teaching, artificial respiration and a minimum of pool work. Those interested are asked to call Mrs. DeBakcsy, PL 6-1760 or write, Box 287.

The Backyard Swim program will be held during May and June. It is requested that anyone who will donate the use of their pool for this program, do so. Rectangular pools are preferred but others may be used also.

Nursery Association Supplies List of All Time Favorite Roses

Rosarians are forever uprooting the old to make way for the new, and with the annual influx of choice introductions, they are forced to decide what goes and what stays. In every rose garden, however, there is a hard core of favorite old varieties which are not to be preempted by any newcomer.

The budding rosarian would do well to check some of these varieties for planting in his garden along with newer roses which are bound to land there.

The California Association of Nurserymen has supplied a list of all-time favorites. The only requisite: The rose recommended must have been introduced prior to 1955.

Peace, the lovely yellow rose with shadings of cream and pink, is A-1 number one. The nurserymen say it's hard to find a better rose for all climates. Charlotte Armstrong ranks right behind. An All-American selection back in 1941, its tapering buds and lovely carmine colorings are still popular. It is worthy of note that this year's AA winner, Garden Party, is a cross between these two.

Other AA roses of yesterday that are still today's favorites

are: the lovely apricot - pink Helen Traubel, the golden-yellow Sutter's Gold, the striking orange Mojave, the glowing pink Tiffany and the stately dark red Chrysler Imperial.

Favorite non-AA roses, some of them dating from before the time of such awards, include; The brilliant red Etoile de Hollande, golden yellow Eclipse, the fine salmon-pink Mrs. Sam McGredy, the coral red Mme. Henri Guillot, and scarlet Christopher Stone. These are all hybrid tea roses.

Among the ever-popular floribundas are such as Floradora, an eye-catching orange-red, dainty pink Lilibet, and pink-to-gold Ma Perkins, coral-red Jimmy Cricket and Fashion, a peach colored orange rose.

Your C.A.N. nurseryman can show you many other vintage roses, some of which may have turned in AA performance under local conditions for many seasons. There are many post-1955 roses too, which will land on our vintage lists of future years. And there's no reason to wait on them until they do.

CRISIS

Through the Tri-Hospital Campaign you have heard of the CRISIS now facing San Diego — only 7/10 of one bed per thousand persons, contrasted to the national average of 7.5 beds per thousand. Your hospital, Scripps Memorial has something vital to say to you about itself. Every person in this community is familiar with Scripps — either as a patient as a family member of a patient, or as a friend. You know and love this hospital and you believe in what it represents in our community: LIFE ITSELF!

When Miss Scripps founded the hospital in 1924 there were 2,000 people in La Jolla. A 44-bed hospital was ample to serve the area within a ten-mile radius as designated by Miss Scripps.

Today our community population exceeds 22,000. Had the hospital grown at the same rate we would now have 484 beds.

In 1951 we expanded to 105 beds in an effort to keep pace with population growth. Statistics demonstrate that the demand for care has more than **doubled** since that time. We are again dangerously overcrowded!

Oliver C. Thorton, president of the Board of Directors of Scripps Memorial Hospital, is pictured on the steps of the hospital, one of three hospitals which will benefit from Tri-Hospital Campaign. The other two are Mercy and Sharp Memorial Hospitals.

SERVICE	Percentage Increase Since 1951
Patient days of care	50 percent
Patients admitted	96 percent
Births	105 percent
Emergency cases	202 percent
X-rays examinations	64 percent
Laboratory examinations	148 percent
Physical Therapy Treatments	400 percent

This is your community problem!

This affects you and every resident of our community!

Subsequent articles will assist you in further understanding this problem. In the meantime, you are invited to call any of the following for additional information:

Ranch School Plans Special Interest Groups

The children of Rancho Santa Fe are particularly fortunate in their school situation in that they have a principal, Lambert Baker, who is forward looking in his thinking and approach to education.

One definite advantage at present is the enrichment program he is offering in the way of special interest groups. A series of four 8-week sessions is planned during the school year, which are held after school and are entirely voluntary on the part of the child.

The first session, which included classes in electronics, creative writing, music and mathematics, has just closed and the second set will start this month. The teachers, whom 'tis reported feel it a privilege to be a part of this program, donate their time for the classes.

Scheduled this session is paleontology, taught by Mr. Baker; electronics, Gordon Breidenthal; great books, Roger Rowe, and ancient history, Ellen Ross.

FIRE HELMETS brought smiles to the faces of these Ranch School kindergarteners when they visited the fire station with their teacher, Mrs. Jeanne Gilmore. Fire Chief James Fox is at the left with Fireman George Crane at right. Children are Christ Vang, Davey Mollering, Robert Dewey, Lindsay Wellman, Ann Freeland, Lisa Berkson, Doug Scarr, Cully Culbertson, Billy Gardner, David Hughes, Kurt Fritzenkotter and Bobbin Smith.
