AUTO EXECUTIVE PURCHASES DEALERSHIP

Interest in automobiles has been one of the main motivators in the career of John T. Kolenic.

The new owner of Colonial Oldsmobile in La Jolla, California, has been associated with this General Motors product for sixteen years. As a member of the factory sales department, Mr. Kolenic has had assignments throughout the United States, including: New York, Indiana, Nebraska, Oregon, California and Ohio. Prior to joining Oldsmobile, John Kolenic was a United States Air Force pilot. He is a graduate of Michigan State University in East Lansing, Michigan. He is married and the father of four children.

With management approval, Kolenic shifted from the Oldsmobile factory sales staff to the retail market. He said this move is a new challenge for him and a long awaited experience. Plans are being made for the expansion of Colonial Oldsmobile both in sales and service facilities.

Mr. Kolenic will hold his formal opening in September. This introductory event will coincide with the announcement of the 1969 Oldsmobiles.

The former dealer, Mr. Robert C. Kohler will remain associated with the dealership in an advisory capacity.

However, it was the opinion of the Art Jury that this should not be so but that each building should have a distinctive color. It was also suggested that prior to the painting of the Association office building a color sample should be submitted to the Art Jury for approval.

MEET THE RED CROSS VOLUNTEER

Mrs. George W. Alexander is one of the army of volunteers, men and women, who offer and carry out the many services of the American National Red Cross. She is a ten year resident of Rancho Santa Fe.

Mrs. Alexander is a member of the Board of Directors of the Rancho Santa Fe Branch of the San Diego County Chapter of American Red Cross; her special interest, however, is in the Hospital Volunteers and the services offered by Red Cross to the men in the Navy Hospital. She has worked in that service for three years and is presently Co-Chairman of the Hospital Volunteers for United States Naval Hospital at San Diego. She describes her work as being very rewarding and finds several days a week barely enough to get her work accomplished.

Hospital Volunteers (Gray Ladies) serve in a number of capacities at the hospital. They assist the doctors and nurses in the outpatient clinics; they work on the wards giving personal services by distributing reading material, doing personal shopping for

patients, or by visiting with them. They work with the Red Cross Recreation service in the hospital in providing parties in the wards, the Lounge or sometimes outside the hospital itself. Such a party was that given in September, a watermelon feast attended by 150.

The Hospital Volunteer also assists with Arts and Crafts activities. Persons of talent and skill share their ability with the patients, who can then express their own skills in producing mementoes, gifts or many times articles and paintings of merit.

The rolls of the hospital volunteer are filled by men as well as women. Mrs. Alexander recommends the service to anyone interested as being "gratifying." Her enthusiasm for the activity would encourage anyone with a day a week to give, to follow her example. Each year the Red Cross is searching for new volunteers to fill the ranks and provide the services. Any one interested should telephone Mrs. Alexander, 756-1788 or Mrs. C. G. Tanner, Volunteer Chairman for Rancho Santa Fe Branch.

Exciting evening a couple of Sundays ago when the Robert Cantwells of El Arco Iris hosted the "people to people" team from Hamburg, Germany. Many good friends gathered to honor this "people to people" program is having when cultural representatives get together in a social situation. A language barrier? Possibly! A communications barrier? Never!

Mr. and Mrs. Bert Teaffe have just returned from the Inland Waterway Cruise to Alaska, and report a most enjoyable time.

News from Saigon concerns one of our outstanding Rancho Santa Fe young men. Navy Lt. Alfred L. Cope, Jr. earned the Distinguished Flying Cross for successfully piloting his helicopter in a counter-offensive against Viet Cong attackers who scored 23 hits on a large U.S. merchant ship in the Long Tau shipping channel near Saigon. Despite intense enemy fire, he escorted and assisted in the planning of a rapid insertion of Vietnamese commandos into the ambush zone, discovered and destroyed four enemy sampans, provided accurate close air support for the friendly ground forces, and established a combat-damaged Army helo to a safe landing site. Lt. Cope also earned 9 through 19 Air Medals and 27 through 33 Strike/Flight Award.

Mr. and Mrs. Theodore Edmonds Gildred of Rancho Santa Fe have named their son, born last month, Edward Ames, for the late Edward Ames Edmonds of San Diego, great-grandfather of the baby. The baby is the grandson of Mrs. Theodore Gildred of Corona Del Mar, and the late Mr. Gildred. He has a brother, Theodore III, and a sister, Jennifer.

He graduated top recruit, and after a 2-week leave flew to Bien Hoa, 15 miles north of Saigon. He is now with the 25th Infantry Division of the 22nd Infantry. SACRAMENTO REPORT

FROM THE OFFICE OF
ASSEMBLYMAN JOHN STULL
80th District

United States election years always bring out the politicians. But, strangely enough, they don't always bring out the voters.

—Only about 75% of the nation's potential voters ever bother to register.

—1/3 of our adults do not see fit to vote in our presidential elections.

—Less than 1/2 vote in congressional elections.

And, of the group who do manage to get to the polls, many are effected by voter fatigue and don't quite make it down to the end of the ballot.

For all the commotion that we seem to be experiencing, research teams have discovered that

—90% of the money for the campaigns of both major parties comes from 1% of the people.

—Only 3% of the voters belong to a political group or club.

—Less than 7% attend political meetings or rallies.

—And just 3% ever perform work for a candidate or party.

What does all this add up to? Well, it means that in 1964, for instance, that of the over 70 million Americans who voted, a statistical minority of about 2 million shaped the whole contest—defined the issues, picked the candidates and moved public opinion.

When Pericles led the Atheians during their golden age, he said, "We do not allow absorption in our affairs to interfere with participation in the cities; we yield to none in independence of spirit and complete self-reliance, but we regard him who holds aloof from public affairs as useless."

And the Greeks had a word for this useless man—they called him a "private citizen"—IDIOTES—from which our word "idiot" comes.

Lots of tremendous issues are at stake this year. The situation demands an informed citizenry, responsive to the fact that their privileges entail the duty of expressing an opinion at the polls.

Let's all GET SMART!

Billy Casper Day

NOVEMBER 23, 1968 IN GREATER SAN DIEGO
SPONSORED BY SPORTS COMMITTEE,
SAN DIEGO CHAMBER OF COMMERCE

A day to honor professional golfer Billy Casper, a San Diego County native, has been set for Nov. 23 at the Whispering Palms Golf and Country Club in Rancho Santa Fe.

Approximately 80 San Diego County government, civic and business leaders will be invited to play golf with Casper at the event, co-sponsored by the sports committee of the San Diego Chamber of Commerce and San Diego 200th Anniversary, Inc.

The featured foursome in the invitational will include Casper, San Diego Banking executive Anderson Borthwick, Frank Curran, Mayor of San Diego, and Ray Catan, Whispering Palms professional.

The event will be followed by a buffet luncheon hosted by Whispering Palms where area dignitaries will pay tribute to Casper.

Borthwick, a former state men's amateur golf champion and a member of the 200th Anniversary, Inc.'s board of directors, has been named general chairman of the event.

Borthwick, for whom Casper caddied as a youth, said the county-wide tribute to the PGA tour's current money-winning leader was staged for several reasons:

"Billy is once again in contention for top money winnings on the PGA tour, further establishing himself as one of the greatest stars of all time among professional golfers.

"As a prelude to San Diego's forthcoming 200th anniversary celebration next year when we hope to promote our area as the golf capital of the world, it seems an appropriate time to honor Billy.

"He has not only proven himself a top golfer, but he is a fine family man, a model of decency and honor as an athlete and a loyal young American whose tours to military installations in the Far East have inspired many of our fighting men throughout the world," Borthwick said.

Borthwick said Joe Brucia, district manager of Western Union, and Charles Mueller of Whispering Palms will serve as associate chairmen of the salute to Casper.

"The Great Books Discussion Program rests on four basic ideas: First, that liberal education is necessary for all men. Second, that liberal education is lifelong education. Third, that some great books, written in our Age, as well as in other Ages, provide the basis for a liberal education. And finally, that people who respect the power to reason, in themselves and in other men, can help one another from the Great Books.

"All men need a liberal education because liberal education is concerned with the ideas and values all men must grapple with in their efforts to fulfill themselves as rational, civilized human beings."

And a liberal education is what the Rancho Santa Fe Great Books Group has been getting for the past six years. For it was just six years ago that Helen Adam organized the group which met at the Fire Station. The attendance was large, as it often is at first with this type of venture, but over the years the group has settled comfortably into a coterie of congenial, interesting people who find excitement and pleasure in exchanging ideas. As a matter of fact, the group is so congenial that it meets all year around—instead of the October through May program projected by the Great Books Foundation—and chooses its summer reading from many contemporary books.

This year's readings opened October 1 with Plato's GORGIAS, to be followed on October 15 by Aristotle: ON THE SOUL. October 29, BHAGAVAD-GITA; November 12, Boethius: CONSOLATION OF PHILOSOPHY; and November 26, Maimonides: GUIDE FOR THE PERPLEXED. Some of the remaining year's selections will come from Moliere, Kant, Goethe, Kierkegaard, Dostoyevsky, Freud, and G. B. Shaw.

The group meets in the lounge of The Village Church at 7:45 on the above mentioned Tuesday evenings. The coffee is excellent, the cookies are home-baked, the conversation is stimulating and often even sticks to the book under discussion! Everyone is welcome—so, if you are interested in joining our club, consider this your invitation and please come!

Tryouts for the San Dieguito Little Theatre's forthcoming production the latter part of November will be held at the little theatre (Del Mar Fairgrounds) on Friday, October 4th at 7:30 p.m. and also on Sunday afternoon from 2:00 until 4:00 p.m. Roles will be cast for the comedy "Never Too Late," a long-running Broadway favorite written by *Sumner Aribar Long* concerning a couple who are about to become parents again when they are thinking more of the joys of possible grandparent-hood. *Nell Rankin* of La Jolla will direct.

The play calls for two leading men, one middle-aged and the other in his twenties, two women leads in the same age category as the above, and a third woman, middle-aged. There are also four smaller parts for older men. For further information call *Mrs. Thomas Norden* 755-1702.

In Memoriam

Rancho Santa Fe lost one of its most distinguished and public-spirited citizens on September 11th with the death of La Motte T. Cohu. His business career was a remarkable success story.

Mr. Cohu was an administrative troubleshooter in the upper echelons of the aviation industry who did not hesitate to take a direct and dramatic approach to a problem.

Once, when confronted with a flood of passenger complaints, lost luggage, he called his station managers together and arranged for their baggage to be lost. "We had a lot more efficiency after that," he mused.

When some of his planes had a persistent problem in their wiring, he had a special electronic panel installed in his office and called in his electrical engineers. He turned on a switch and the panel began to smoke. As the smoke subsided and the firemen he had invited rushed in, he calmly told the engineers that he did not want the same thing to happen in the air.

Mr. Cohu started flying while at Princeton University, from which he graduated in 1917. He once blacked out Lawrenceville, N. J., when he crashed into a power line, but escaped with only a few scratches. He did not, however, immediately pursue his interest in aviation after graduation, but became a security salesman.

From 1921 to 1933, he was a partner in the brokerage firm of Myron S. Hall Co. and then Hall, Cohu Bros. Co. In 1930, he became president of Air Investors, Inc. and Aviation Corporation.

KARL C. FIDERO

Karl Christian Fidero, well-liked, hard-working, of great integrity, devoted to family, friends and the community, passed from our midst at the Encinitas Hospital. He will be sorely missed by Rancho Santa Fe where he spent all but the last few years living in the community. Karl sought to beautify the landscape and much of it testifies to that fact. He prepared the ground for much of the Rancho Santa Fe area for new homes, drive-ways and groves of new trees. He was so tender-hearted that often he would stop his machine to rescue a bird's nest hidden in the grass.

Karl leaves his widow, Eulalie Fidero, a daughter, Mrs. Lea B. Lucero, five grand-children, and five great-grandchildren—all of Santa Clara. Mrs. Fidero's sister and brother-in-law, Mr. and Mrs. John Holly of Julian, attended the funeral together with Karl's six sisters and brothers: Mrs. Ivy Laughter, Rancho San Fe; Mrs. Julia Bohé, San Diego; Mrs. Lillian Silva, Escondido; Mrs. Ruth Penner, Wasco; Mrs. Edna Michaels, Escondido; Mrs. Alma Warren, Garden Grove; August Fidero, Pasadena, and Theodore and Vernon Fidero, both of Encinitas.

Six nephews and Herman Bumann served as pall-bearers. Rev. A. T. J. Irmer of St. Mark's Lutheran Church, No one will miss him more keenly than his devoted wife.

*Oh, for the touch of a hand that is gone,
The sound of a voice that is still.*

* written by his wife Eulalie Fidero

General Dynamics from 1953 to 1957. He purchased a major interest in Kay Lab in 1954 and created its successor company, Cohu Electronics, in 1957.

Mr. Cohu considered himself an administrator rather than a technician, although he logged more than 9,000 hours of flight time during his life.

He was an accomplished horseman and was a sports-car and golfing enthusiast.

He held directorships in Hoffman Radio Corporation and Eastern Air Transport.

His first wife, the former Charlotte Guye, died in 1920. He is survived by his widow, the former Didi Matus; three daughters of his second marriage, Ann, of Rancho Santa Fe, Calif.; Mrs. Jack Dana of Lafayette, Calif., and Mrs. Mitsuo Hatori of Honolulu; a brother, Henry W., of New York, and four grandchildren.

EDMUND T. "NED" PRICE

In his eyes was the calm confidence of a man who had known all his life what he wanted out of living, and who had attained his goal and more. In his smile was genuine warmth, for in common with all really big men he was friendly in a quiet, unobtrusive way. In his attitude toward his community, his country and his fellowmen he was thoughtfully and actively charitable; his giving of himself, his money, his possessions, was a part of his way of life.

Edmund T. Price, industrialist, humanist, and after his active business years a sometime professor, wasn't Edmund T. Price to his fellow Rotarians; he was Ned — and that says it all.

Ned's death in London Monday night is an irrevocable loss to all who knew and loved him, of course. But of him it may honestly be said that the good he could do, the kindnesses he could show, he contributed freely and constantly, because he knew he would pass this way but once — and of such a life it can be said only that it was triumphant, and that the warmth of Ned's smile as well as his manifold contributions to his fellowmen will be with us always.

To Ned's Rotary Ann Lauretta our deepest sympathies; to his children and relatives our feeling of kinship in having to a degree shared his affection and concern. To have known Ned Price is to have been blessed with one of the better things life has to offer.

Melissa Russell and Allisen Gault have baby rabbits. Allisen named hers Snoopy; Melissa named hers Peanuts. Allisen is going to Disneyland this week. Ariel Rolanholst went skiing in the mountains. Some of the girls in our class went to camp.

We have two new people in our class. The girl is named Paige Selby and the boy is Ronald Rickabaugh.

We are beginning many new map skills this year. We are learning other new things also. Starting next week we will be having special studies at 2:15. We will go to a different class every day.

We have a new boy from Mexico and we're trying to teach Kim English and he's trying to teach us how to talk Spanish.

In math we are learning how to use exponents. We are learning the base and the place-value system. Most of our class can do these problems now.

In art we are learning how to draw landscapes using perspective. We have made posters for fire prevention week. We are having a P.E. test.

There is a corral in our room—not the kind of corral you keep a horse in. It means a pen or enclosure for defense or security.

It has 3 sides, a shelf to keep your book on and a wide working space. It's so secluded that nobody can bother you.

We had a lot of new National Geographics bound pamphlets which Mrs. Manning is filling into the cases where they belong. They are allowed to circulate, but must be treated like we do with our library books and returned on the date due.

**YMCA 6th ANNUAL SURF
CONTEST OCTOBER 19th**

The North Coast Family Y.M.C.A., which serves the Tri-City and San Diego communities announced the date for their 6th Annual Surfing Championship for North County surfers.

The date is Saturday, October 19th with the event to once again be held at Moonlight Beach. This year's contest will be a one-day affair that will start bright and early at 7 a.m. and last till the winners are announced.

Rollie Ayers, local Y.M.C.A. Executive Director announced also that Gordon Lienhard will once again be the chairman and director for this event. Jim Truax will be handling the P.A. System and with his many years in the area and knowledge of surfing, it always proves to be an interesting treat for the many spectators.

Trophies and plaques will be awarded to the first six places in each of the four classes, boys 14 years and under, Jr. men 15-17, men 18 years and over and the women's open class.

There will be a special open paddle race at the end of the meet with the top three winners receiving special trophies.

Ayers pointed out that this is the only locally held surf contest for North County residents only. He said that over 120 entries have been received each year and that local surfers know that outside "hotshots" can't enter and walk off with top trophies.

Gordon Lienhard stated that Hansen Surfboards, Surfboards Hawaii and the Encinitas Chamber of Commerce are all contributing to this meet in order to keep the entry fee down and attract more local surfers.

A new twist has been added in that every contestant will receive a special T-shirt to signify his participation in this North County event.

Entry forms can be obtained at North Coast Family Y.M.C.A. office in Encinitas, Hansen's Surfboards, Surfboards Hawaii, McEwen Hardware in Carlsbad, Johnson's Sporting Goods in Oceanside, Sports and Photo in Vista, and the Palomar Y.M.C.A. office in Escondido.

All entries are due into the North Coast Family Y.M.C.A. office by Wednesday, October 16th.

I'm "Boomer" the Boxer boy-dog. Just a few weeks ago I had a birthday party. My favorite present was a yummy piece of fresh hamburger with two red candles on it. The meat smelled so good and I was so excited that I almost forgot to blow out the candles! I like birthday parties, don't you?

As you can see, I'm extremely handsome and in top notch physical condition. Of course, the kind people here at the Shelter help me to take good care of myself. I eat a high protein diet—no sweets, candies or cakes for me. I don't want to be fat and lazy. I like the way my tight-fitting, tawny coat shows off my bulging Boxer muscles. I exercise daily, drink lots of water and get plenty of sleep. All of us animals know how to care properly for ourselves, although we can be spoiled by well-meaning, but not too well informed, masters. If only we animals could talk People-talk . . . it would solve so many problems.

As much as I love them, people do mystify me. Perhaps you can answer a few questions. What happened to my people family? I had one, then suddenly I didn't.

Magnolia Garland poses for her friend, the Author, who has found his own special people home at last.

I have a feeling that I'm being sheltered here from something sad. Do families always disappear? Many dogs here have stories to tell that make me think people families just don't last.

The sleek little Dachshund, "Fritz," told me that his family is leaving the country—whatever that means—and can't take him along. He doesn't understand why. His tiny pal, "Petie," a miniature Doxie, says his family is moving too. The family of "Wendy," the Shepherd-Coyote girl, is going to a place called Hawaii, and they can't take her along for reasons that she can't understand at all.

"Laddie," a beautifully coated Collie, lost his family and couldn't find them, even though he traveled so far looking for them that his paws got sore. The handsome young German Shorthaired Pointer, "Rusty," lost his family somewhere too.

A young Corgi Mother, named "Bootsie," who surprised everyone here one morning with her litter of five wee puppies, can't imagine any reason why her family couldn't keep her. A sweet young Doxie girl who's

about to be a Mommy any day now has the same problem.

Poor "Sally," a young girl Basset, said that her family stopped at the gate of the Shelter early one morning and told her, "Stay—we'll be right back." She can't understand what is taking them so long. Everytime a car stops Sally cocks her long droopy ears, and listens for the sound of a certain, special engine. She hasn't heard it yet.

"Congo," the Basenji, came from a family that had five dogs—evidently one too many. He wonders if people give away children when a family gets too large.

"Rex," an eight month old German Shepherd pup, was dumped out of a car right onto the Freeway! He was so frightened . . . he has lots of questions about families.

So does "Alice," the Cockerpool, who overheard his family talking about things like "not-enough-room," just before he was brought here.

Oh my, it would help so much if we could talk People-talk!

Tinkerbell," a beautiful Like all Boxer dogs we hers and prefer to be the

Number One member of a people family. We like people of every age and size. We simply adore all children (they are nearly as energetic as we are!) and even love the tiny tots who pull our ears or think we're miniature ponies. Big people with generous stomachs who sit in large comfy lounge chairs make the best napping places, but small people are okay too—we don't mind if a few Boxer parts hang over the edges. To rest a muzzle close to a people ear, one forepaw on each shoulder, and hind legs special engine. She hasn't heard it yet.

Outings in the Car are high on a Boxer's list of favorite things to do. (Being Left Alone at Home is at the bottom of the list.) We like to sit proudly in the back of a car resting our chins against the seat back or on a half opened window. For some reason that I don't quite understand, our masters always look like chauffeurs when they are driving with us.

We Boxer dogs manage our people families quite easily, although sometimes we do find it necessary to employ a few Boxer techniques to achieve the desired results. The Pleading Eye, the Paw on the Knee, and the Gradual Increase of Pressure of Dog Chin on People Thigh are some of our most ir-

resistible methods. And, of course there are many varieties of The Kiss. Our families become sensitive to even the subtlest nuance of the Facial Worry-Wrinkle, and sooner or later they become most manageable.

We're the best of people trainers because we're the best of people lovers. I've discovered that both dogs and people love to be loved . . . have You?

Boxers are great ball chasers, jumpers, and runners (my speciality is the "Boomer-Bounce"). We also like to box—our forepaws are swift and powerful, which make us great biffers. Other dogs don't understand our kind of play—they can't box and are unreasonably timid about games like Leap Frog. People make the best playmates for a Boxer dog. Last Tag on a sandy beach is the best of all possible games in the best of all possible places. Would You like to play it with me?

I'd love to play it with You—soon!!!

KOW KENKO HOLDS FALL TRUNK SHOWING AT TARVIN'S OF OLIVENHAIN

Kow Kenko describes one of her designs at the Fall Trunk Show, October 3rd.

The serenity of the Orient in chiffon and lace or the zing of California casual as seen in an at-home lounging outfit. Kow Kenko, designer and Pasadena boutique owner, impressed her "invitation only" audience with her marvelous designs, the best of East and West, at the Fall Trunk Show held October 3 in a delightfully casual outdoor setting at Tarvins of Olivenhain.

Trim knits, fluffy romantic gowns of chiffon or lace and furs by Donal Furs of San Diego were the stars of the show, but the audience was also able to view the works of artists such as, Ruth Johnson, ceramicist; Avis Ballard, enamels on copper; Wally Blodgett, porcelains and the Spider Lady, Meree Perry, who captures real spider webs.

A lovely knit brought smiles of approval from the "invitation only" audience.

No stranger to fashion-wise Southern California women, Kow will be opening a shop in Escondido and has also located a select part of her boutique collection at Tarvins. A graduate of the American Academy in Chicago, Kow has lead a busy life in the fashion world. After a stint at free-lance designing in New York, she combined business with pleasure in a trip to the Orient. In Japan, Kow so impressed the Japanese Trade Center they commissioned her to take a fashion show to the United States, which showed Japanese fashions in Chicago, New York and San Francisco. After the shows went back to Japan, Kow showed her own designs in California and went on to design a custom line for Bullock's, Marshall Field and Saks.

At this time Kow decided to open her own boutique in Pasadena—no mean trick, since she was living in Pennsylvania at the time and in addition continued to free-lance in New York. Although Kow features her own designs, as her shop has grown she has brought in outside lines including Jo-nana Nelson, Gards Ltd., and Ric Byron.

Kow has a feeling of pride about her shop and all the beautiful things available and she forbids high pressure. The only pressure is that which Kow herself generates. Her energy is unlimited, for besides in addition to her two boutiques (Pasadena and Olivenhain) and the shop under construction in Escondido, she is considering a recent offer to design a line for a Japanese fashion house!

There may be serenity in Kow Kenko's designs, but there's none in this bundle of energy from Texas.

DUKE & DUCHESS OF BEDFORD TO SPEAK AT GARDEN CLUB ON OCTOBER 29th

The Duke and Duchess of Bedford

A rare opportunity to meet the Duke and Duchess of Bedford on their joint American lecture tour presents itself on Tuesday, Oct. 29th - 8 P.M. when this distinguished and charming couple appears at the Rancho Santa Fe Garden Club. Members of the garden club are cordially invited to make reservations.

In a delightful program they invite audiences to share with them the treasures of the past—gloriously restored to the present. Woburn Abbey, home of the Dukes of Bedford for nearly 300 years, is the most popular state house in England.

Hallowed by history from the times of Henry VIII, the Abbey contains a priceless private art collection and countless treasures housed in fourteen exquisitely decorated State Apartments.

Well-known to America as England's most democratic peer, John Robert Russell, the 13th Duke of Bedford, is a lively, sparkling speaker. When the Duke inherited the historic, 90-room house, standing amid 3,000 acres of the most beautiful parkland in Britain, he found the Abbey "in utter chaos."

With great care and industry, he set about restoring Woburn to its former grandeur and, in 1955, became the first English peer to open his estate to paying visitors.

Author of the delightful "Book of Snobs" and "A Silver-Plated Spoon," the Duke of Bedford is considered the hardest-working, the liveliest, the least pompous and the most unorthodox of Britain's twenty-five hereditary dukes. Naturally, he is married to one of the most charming and vivacious women in the United Kingdom, the former Nicole Schneider Milnair.

Convent-educated, the Duchess of Bedford comes from a distinguished French family. Widely traveled, she has lived in the United States and speaks English beautifully. She was already an award-winning film producer for a American company when she met the Duke during the course of a film-making assignment. They were married in 1960, and ever since she has been totally dedicated to helping her husband in the continued restoration of his great 18th century house, the North Wing of which was originally built in the year 1626.

MRS. HARRY FORREST TO BE THERAPIST OF SAN DIEGUITO FAMILY SERVICE

Mrs. Colley Fernading, chairman of the Board of Directors of the San Dieguito Family Service, announced the appointment of Mrs. Mary Forrest, as therapist.

Mrs. Forrest received her B.S. in 1953 and Master of Social Welfare, June 1967, at UCLA. Prior to getting her Masters Degree, she worked 7 years in Welfare. She has also been a therapist at Camarillo State Hospital. More recently she has been in private practice as co-therapist with her husband. They believe it is beneficial to have husband and wife co-therapists to assist in solving family problems.

Mrs. Forrest's husband, Kenneth is a psychiatric social worker at the South Bay Guidance Clinic. Mrs. Forrest has two children, Gary 13, and Charlie 8. They make their home in Pacific Bluffs.

Friends of the previous counselor, Mr. Bill Miller will be interested to know that he is Chief of Social Services at Scripps Memorial Hospital.

Mrs. Forrest will be in the local Family Services office on Monday afternoons, 12:30 to 5 p.m. Tuesday, all day, and Tuesday evening by appointment. San Dieguito Family Services office is at 2155 Newcastel in Cardiff and the phone is 753-1627.

Mrs. Forrest says family communications are the basis for many problems. She would counsel parents and children in family communication which would tend to help children to go to their parents with problems

SAN DIEGUITO COTTILLION TO BEGIN OCT. 19TH

The area chairmen are as follows: Mrs. James Hogan, Solana Beach; Mrs. Joanne Gaunce, Rancho Santa Fe; Mrs. Joseph Robison, Encinitas; Mrs. Gilbert Moyer, Del Mar and Mrs. Phil Franklin, Membership Chairman.

The San Dieguito Cotillion offers programs of instruction in social skills and graces.

Again this year the dances will be conducted by Miss Gloria Monaghan and Mr. Walter F. Briggs of Beverly Hills.

An additional feature of this year's program will be a dance held on December 20th, for the 10th, 11th, and 12th grade students who were members of this group and their guests. Invitations will be sent out in the near future and on a first come basis.

Pat Beattie

The other end of the training business.

She's here! Pat Beattie, our new Trainer-Instructor came in from Ox Ridge Hunt, New Caanan, Conn. and is hard at it—working the school horses toward a decent performance under beginner or advanced student, training members' horses toward an enhanced jumping capability, meeting the RRC public in general and trying to establish some sort of schedule for the future. Her tentative schedule will be as follows; until the various categories of students fall in line on the weekly calendar, i.e., after consideration of age, capability, school hours, free time.

	Tentative Schedule	
Ladies' Classes	Tuesday & Friday	10:30
Trail Ride	Thursday	10:00
Beginners	Tuesday	4:00
Classes (Juniors)	Wednesday, Thursday, Friday	3:30 & 4:30
	Saturday	9:30 & 11:00
Private & Other Group Lessons	Sunday	As required

(Note: Private lessons can be arranged at any time not in conflict with above schedule. Trainer's hours: 8:30-12:00 & 2:30-6:00, Tuesday through Sunday.)

While schedules are being discussed a listing of events for the immediate future is in order:

COMING EVENTS

Horsemanship/Jump Clinic — By Gordon Wright	— Late October or early November
Gymkhana	— Sunday, October 6th at 1:00
Hunter Trials (RRC Only)	— Late October; to include Hunter and Pleasure Classes
Halloween Junior Dance	— Friday, October 25th at 8:00 PM
Halloween Fun Show & Potluck Dinner	— Sunday, October 27th at 1:00
Fall Horse Show (Open)	— Saturday, November 9th at 8:30

Our listings for this article wouldn't be complete without bowing in appreciation to those members who have contributed their time, talents and no little material support—to put it very broadly—to making Pat Beattie welcome and making it possible for her to meet the RRC membership and vice versa. Certainly my limited descriptive ability can't do justice to Kay Wellman's luncheon of Thursday, September 19th! Truly, no more gracious hostess could possibly have been found; nor a more delightful locale chosen than the Wellman veranda for the occasion. And the food! Such savory fare is still being discussed by the 25 or so envious RRC members in attendance. In addition to Kay's most generous offering of food and faculty she also joined with Jean Coberly, Bev Kuhrtz and Barbara Bray and Lynne Miller in hosting a most pleasant and fruitful Coffee at the RRC Clubhouse on

Wednesday, September 25th. Again, Pat, a considerable segment of the membership and non-member guests had an opportunity to meet and exchange horse notes; although Pat was hard put to make the scheduled 10:30 appearance because of an instruction period immediately preceding.

Now that the children are back in school, the vacations are over for the most part and time can be somewhat better organized, it's appropriate to call for Polo enthusiasts. Keep in mind that, with very few exceptions, we're all rank duffers, so come out on your horse, your Junior's mount or ask us about finding you a steed to try out on, and prepare to get a lot of exercise and, initially at least, a considerable number of laughs. With just a little cooperative effort a local Polo contingent can come about.

Call Lew Miller at 756-2923 or come talk about it at RRC.

The Clotfelters of Rancho Santa Fe welcomed a new member to their family on Labor Day. An 8 lb., 5 oz. son, **Cutler Hayward Clotfelter**, was born to **Thomas and Leith Clotfelter** on September 2nd. As the youngest of the Clotfelters', little Cutler and his cousin, **Kurt**, son of **Mr. and Mrs. Richard Clotfelter**, share the distinction of being the second generation of Clotfelters' born in Rancho Santa Fe. **Ranchoites Reg and Connie Clotfelter**, and the **Charles Ranseys** of La Jolla are the proud grandparents.

The Rancho Santa Fe Opera Association muscled and tea at the home of **Mr. and Mrs. Robert Cantwell, Jr.** on September 27th was a gala affair. Pictured above is (left to right) **Mrs. Robert Thompson**, San Diego Opera Guild president; **Mr. Paul Scott** and **Mrs. Stuart Aptaker**, dual pianists; **Mrs. Dorothy Patton**, RSF Opera Association president.

Cocktails at the **Gordon Siegels** on El Acebo on September 28th was a fun affair, with several scores of old friends greeting friends. The Siegels sold their beautiful home, rented the Suydam home until they could catch their breath . . . and lo and behold, the Suydams sold their home! So it's "pack up and move again" unless **Gordon** can pull a rabbit out of a hat and build their new dream house in between moves. * * *

Pictured above is **Mrs. Gordon Siegel** of Rancho Santa Fe who is modeling a hand-screened dress by **Mr. Lacy**, Rancho's only custom couturier. **Mr. Lacy** will custom-design and hand-screen dresses, handbags and shoes . . . and **Olive's** is simply gorgeous! * * *

Is anyone on the lookout for an experienced practical nurse who is excellent in giving hypodermics and has her own transportation. If so, call **Mourea Hartwell** in San Marcos; phone 744-1182.

Pretty and pert **Miss Sally Johnson**, now **Mrs. Gentry** of Texas was honored at a lovely miscellaneous shower recently hosted by **Betty Brooke**, **Ann Robertson**, **Shirley Hoadley** and **Jean Taylor**. The guests were fed sumptuous Country Squire fare before the gifts were opened. **Sally** is the daughter of **Mr. and Mrs. Samuel Y. Johnson** of La Fremontia and was one of Rancho Santa Fe's most beautiful Fall brides. * * *

"The end of a beautiful summer." **Janice Giffin** and **Tommy Turner** of Portland, Oregon stand beside the Village Press yacht before **Tommy** took off on Uncle Sam's yacht. **Jan** went back to the books, and **Mary Elizabeth** put the latest edition of RSF "Living" to bed. * * *

3rd ANNUAL WILSON JONES MEMORIAL TENNIS TOURNAMENT HELD AT RANCHO SANTA FE

by Pat Todd

The third annual Wilson Jones Memorial Tennis Tournament was held the first week in September on the Rancho Courts.

The tournament for North County Boys and Girls under fourteen is an annual affair held in memory of the late Wilson Jones, a prominent Los Angeles businessman who had been connected with tennis for many years in the Los Angeles area. Mr. Jones retired several years ago to Rancho Santa Fe and spent many hours at the local club helping out with tournaments and instructing beginners.

The beautiful sterling silver trophies that have been donated by Mrs. Jones were won this year by **Ken Peet** in the boys' event and by **Kathy Lebedeff** in the girls' event. Both finals were hard fought. **Kathy**, the girls' winner, was in the finals for the third year and in her last attempt finally came through. Her opponent, **Jackie Casey**, from Escondido was playing for the first time and will surely be heard from in the future. **Ken Peet**, the boys' winner, was the smallest boy in the tournament, but what he lacked in stature was made up for with determination and the ability to run all day long. He reminded many old timers of "Bitsy Grant," the giant killer of the past. His opponent, **Brad Chamberlin** filled in as a sub, and did very well to reach the final round. All the participants enjoyed the tournament and are indebted to Mrs. Jones for carrying on this event.

GIRLS' WINNER, **Kathy Lebedeff** of El Camino and runner-up, **Jackie Casey** from Escondido. Score 8-6;8-6.

BOYS' WINNER **Ken Peet** of Escondido (in the hat) with runner-up **Brad Chamberlin** of San Marcos. Score: 1-6;6-4;6-2.

THE D A R STORY — DO YOU KNOW?

To enlighten and better inform the general public of the historic, educational and patriotic goals of the National Society of the Daughters of the American Revolution we plan a series of articles regarding several of the Society's projects supported by Chapters at the local level as well as State and National. Every National Committee has a State and Chapter Chairman working to support these goals.

One of the most important purposes of any Chapter is the sponsoring of programs to stimulate interest in historical research among young people, thus encouraging the study of American History . . . to challenge "Young America" to a fuller understanding and deeper appreciation of the unequalled rights which they have inherited." Boys and Girls in Elementary, Junior High Schools and Senior High Schools are encouraged to actively participate in the various contests sponsored by the D A R Chapters.

To understand and appreciate our Great American Heritage the National Society D A R encourages activities through the cooperation of the States and Chapters with the School Authorities. February has been designated American History Month and the various programs are designed to encourage all Americans to learn how men and women of courage, faith and dedication achieved American Independence to enable all men and women to enjoy the "Blessings of Liberty" for all time.

The Historian General directs the activities of American History Month through the National Vice Chairman. We here in California are especially privileged because Mrs. Donald Spicer of Coronado was elected Historian General, a member of the National Board of the N.S. D.A.R. to serve for three years and Mrs. Frank R. Mettlich of National City has been appointed National Vice Chairman.

When school starts in the fall, while children are being oriented to their classes and studies, the Chapter Chairmen contact the History teachers with information regarding the Society's various history programs. In the Grade Schools a History Essay Contest is sponsored for two age groups; those children in the fifth and sixth grades are encouraged to write an essay of 300 to 500 words and the seventh and eighth grades are expected to write 600 to 1000 words.

Different subjects are chosen by the National Chairmen each year and this year the subject will be "Heroines of the American Revolution." "There may be many who are not aware of the outstanding contribution made by women to the cause of the American Revolution. Women actually participated in battle, served as nurses, helped to maintain communications and gave comfort and support in many ways."

The young people are encouraged to read as much as possible on the subject they choose, then write an essay by hand in their own words. A team of competent judges

DE ANZA CHAPTER

By **W. Sperry**, Regent De Anza Chapter D A R Member California State Society Committee on Public Relations

will read the essays and judge on historical accuracy, adherence to the subject, originality and interest, neatness and spelling.

The National Contest is divided into four divisions and after the essays are judged at the local level and the best one from each group is sent to the State Chairman. After all these are judged, the one chosen best is sent to the Chairman of the Division. There are twenty-eight Divisional Winners, (four in each grade) these will be presented Gold Medals by the National Chairman of History Month. The National finalist in each grade will receive a \$50 United States Savings Bond. Local Chapters also give awards to the winners of the contests they sponsor.

Recognition is given for excellence in the study of American History by students during the junior year in Senior High Schools. Young people who show exceptional ability in this field of study are encouraged to take certain tests. The results of these tests are not revealed until senior year when the winner will be recognized and honored.

Chapters also sponsor a D A R Good Citizens Contest for Senior Girls. Approval of the proper authorities in the State Department of Education has been obtained to conduct the contests in the High Schools of the State. The Chairmen of Chapters sponsoring the contests in local schools works with the School Authorities. Three senior girls are selected by their classmates who must have, "to an outstanding degree," the qualities of Dependability, Service, Leadership and Patriotism. The local Chapter usually awards a Good Citizens Pin. The winner competes for higher honors at the State and National level.

Outstanding Girl Homemakers in the Senior Classes are recognized for their abil-

ties in sewing and cooking, who also receive awards, usually a Sterling Silver thimble and spoon.

A Good Citizenship Medal is awarded to boys or girls in elementary, junior and senior High Schools, (public, private or parochial) who fulfill the qualities of honor, service, courage, leadership and patriotism. These medals are given at Graduation.

R.O.T.C. Merit Awards are given to Graduating Students who are in the training program. There are three objectives for this program. "To inculcate habits of orderliness and precision; to instill discipline with respect for constituted authority; to develop patriotism and to encourage a high sense of personal honor and deportment."

To give the Cadet elementary training which will benefit him and be of value to the Nation, if and when he becomes a member of the Armed Forces.

To develop an appreciation of the Army in its roll of National Defense and to fully inform all students of the opportunities for service."

Do we need to be reminded of the great need for this training today? Student Loans are granted to deserving young students who need help to complete their college education and training. Last year the National Society established an American History Scholarship of \$8000 to be awarded for a four year college education to an outstanding Student of History graduating from High School who plans to make a Career of American History or one whose studies will include a minimum of 12 college hours in American History. This scholarship pays \$2000 a year to the College chosen by the winner. Last year the scholarship was won by a California Girl and this year by a young man from an Eastern State. Every student, boy or girl who qualifies has a chance to compete for the scholarship.

De Anza Chapter sponsors these contests in Elementary Schools, and the Junior High Schools and Senior High Schools of the San Diego area and also a number of the Elementary and High Schools of Imperial Valley as well as the San Diego Military Academy. These boys and girls are invited to the Annual George Washington Tea in February where they are honored and are presented with their awards. Other awards are presented at Graduation in June. The local papers and the Rancho Living have been most generous in giving publicity to the De Anza Chapter Projects with both stories and pictures. This has enabled the Chapter to grow as the work becomes better known and recognized.

**HORACE BLACKMAN
HEADS UNITED CRUSADE**

Rancho Santa Fe's campaign for the United Crusade is off to an encouraging start under the leadership of Horace Blackman. An appeal is being directed to all residents, reminding them of the needs for health, welfare, family and child services provided by the 67 voluntary agencies in United Community Services. All receive operating funds from the one annual United Crusade.

The individual gifts division, under chairmanship of Mrs. Alex deBackscy, set a promising pace for these other divisions: business, chaired by Lloyd Johnson; public service, chaired by David Van Evera, along with the educational campaign, directed by district schools superintendent R. Roger Rowe.

Mr. Blackman said he is confident the community will reach its Crusade goal of \$21,828.

THE SAN DIEGO OPERA

San Diego Opera Guild volunteers are busily "winding-up" a successful ticket sales campaign for the coming 1968-69 opera season. Brochures describing the three-opera series and, offering a ten per cent savings on the purchase of season tickets, were mailed to over ten thousand opera and music lovers in San Diego and surrounding counties. Several thousand follow-up telephone calls have also been made since the drive began in mid-July.

"Rigoletto" opens the season on October 17 and 19, with British Baritone, Peter Glossop, in the title role. This Verdi opera contains many melodies that have become increasingly familiar since its 1851 premiere in Venice.

November 14 and 16, Puccini's unforgettable "La Boheme" will bring to life the tragic love of Mimi and Rodolfo with the Bohemian world of nineteenth century Paris providing a poignant setting.

The chivalrous ideals of "Don Quixote" together with Massenet's great dramatic score will provide a fitting finale to the season on April 24 and 26, 1969.

All the operas will be sung in English and will be presented in the Civic Theatre at 8:00 p.m.

Season tickets are still available from the San Diego Opera and, single performance tickets will go on sale at the Civic Theatre Box Office September 23.

Miss Mildred Vose Smith, Regent of the La Jolla Chapter D.A.R. presided as 260 members and guests gathered for luncheon at the Atlantis on Saturday, September 21.

Honored guests present were—Mrs. Donald Spicer, of Coronado, Historian General National Society Daughters of The American Revolution; Mrs. Leroy C. Kaump, Vice Regent, California State Society D.A.R.; Mrs. Frank R. Mettlach, Honorary State Regent, California State Society D.A.R.; Mr. George Wick, President of The Sons of The American Revolution of San Diego, and Miss Janice Mettlach, President of The Children of the American Revolution of San Diego County.

Mrs. Glenn W. Steepleton, Regent of Linares Chapter D.A.R. read the Proclamation signed by Mayor Curran of San Diego, dedicating the week of September 17-23 in commemoration of the signing of the Constitution of the United States of America.

The speaker for the occasion was Captain Lawrence B. Cook, U.S.N. Retired, who gave a brief outline of the Convention in Philadelphia when representatives from the Thirteen Colonies gathered to draft the Constitution in 1787. Captain Cook reminded us that the group of men were young, vigorous and dedicated with foresight and courage, the average age being forty years.

"The Constitution is a great experiment in self government" and he stated that he believes every school should have detailed studies of this great document at all levels in the school systems, and we adults must again acquaint ourselves with the vital areas affecting our lives today and take a more active part to help preserve it. Democracy is the strength of the people, guaranteed for all time and only honest and able men of good will can keep it. "The Constitution is not just a 'precious parchment' but the 'Life Blood of Liberty'! It has not changed, there have been 24 amendments added in the 181 years of its existence and can continue to serve as the standard for all men to live freely under the key 'that all men are created equal.'"

All the Chapters were represented. Those attending from De Anza Chapter were Mrs. Robert L. Sperry, Regent; Mrs. Grace Hendrickson Ayres, Vice Regent; Mrs. H. Cuyler Anderson, Mrs. Clyde Chambers, Mrs. Morris Fitzpatrick, Mrs. F. J. Ford, Mrs. Walter Grimm, Mrs. Harry Huntoon, Mrs. Charles Lewis, Mrs. Kenneth Mattson, Miss Yarda Mattson, Mrs. Henry Nauer, Mrs. Charles Pell, Mrs. Helen S. Prentiss, Mrs. Fredrick Carlson. Those gentlemen attending from this area were Mr. Sperry, Mr. Grimm and Mr. Carlson.

**BENJAMIN PITMAN'S
"HERITAGE PORTRAITS"
WIN ACCOLADES
IN PORTRAITURE**

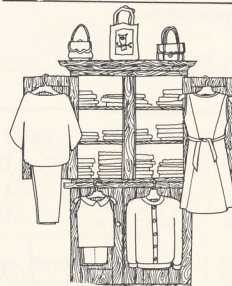

A new and unusual approach to the art of portraiture is currently being offered to the residents of the North County by Benjamin Pitman of Escondido. His Heritage Portraits combine the texture, depth and feeling of an oil painting with the accuracy of photography, and provide a means for the subject to view proofs before the final portrait is executed.

Mr. Pitman's uncle, Theodore B. Pitman was an eminently successful artist on the East Coast, creating lifelike dioramas for many of the natural history and historical museums, including the Fogg Art Museum at Harvard. A sister, Lorraine, who lives in Los Angeles, has been a portraitist and painter for many years.

Mr. Pitman's interest in photography is one of long standing, but his specialization in the field of Portraiture is comparatively recent. He was for twenty years associated with instrument companies, in the field of research and design, and was involved in such estoteric problems as the creation of some of the hardware used in this country's early moon shots.

He has recently opened a studio in Escondido at 215 W. Grant, where many of his portraits are displayed. They are also hanging in the Living Room at the Inn in Rancho Santa Fe, and in the Interior shops at Lake San Marcos, and Rancho Bernardo.

A smashing success was La Costa's Second Annual "LUCKY TOURNAMENT." Over 150 players from leading Southern California Tennis clubs participated in this three day event sponsored by General Brewing Company. RICK LYNCH, our tennis professional welcomed his guests at an opening cocktail party. One of La Costa's favorite girls, NANCY KINER bounced around the party saying 'hi' to many of her tennis buddies. Among the guests were: MR. & MRS. TED HUBBERT, MR. & MRS. ED SHARKEY, VICTOR ROTHSCHILD, JOANNA OGNER, MR. & MRS. PETER BREN, MR. & MRS. J. E. FOSTER, MR. & MRS. SAM FERKS, and TED FIO RITO.

The results for the Championship Men's Doubles Flight: Rod Livingston of Arcadia and George Yardley of Newport Beach defeated Bob Bacon of La Jolla and Albert Lansdorf of San Diego, 6-4 6-4.

Mixed Doubles Championship Flight: Pat Todd of Rancho Santa Fe and Mark Shires of Cardiff defeated Bill Millikan of La Jolla and Denise Bradshaw of Escondido, 6-8 6-4 7-5.

Mixed Doubles 'A' Flight: Irene Boylan and Bill Millikan of La Jolla defeated Sally Moore and Bill Rosensohn of Los Angeles, 6-1 1-6 7-5.

Mrs. BILL EMMONS, President of the Women's Auxiliary spearheaded another successful tournament: La Costa Country Club's 3rd Annual Invitational. The Pro-Am was played on Monday, September 16th. Fifty-four Pro's were in attendance for this event. With teams made up of two Pro's and three women playing for the two best balls of a fivesome, the results were: A tie with a score of 134 for BILL CHADDOCK-JACK STEINGRABER, KAY ADAMS, MRS. DONALD PERKINS, FRANCES FROST

with KEVIN FLEMING-JIM GRIFFITTS, RUBY LOWE, ANN BISHOP, HELEN FAIT. Among the twenty-six Country Clubs represented by women players were: IRVINE, LA QUINTA, TORREY PINES, STARDUST, and DESERT INN of Las Vegas, CANYON COUNTRY CLUB, Palm Springs, WOODLAND HILLS, and DEAUVILLE.

Speaking of golf: Much time and attention has been given to the drainage problem on the La Costa course. Early this Spring, work was started to permanently correct the situation. After an expenditure of \$200,000

it was exciting to hear our guests this summer exclaim over the beauty of the La Costa course. KIRK DOUGLAS and VIC DAMONE, recent guests and avid golfers were most complimentary about the course.

At the beginning of the summer season we were pleased to announce that we would be the 'summer home' for the famed Galerie du Jonelle of Palm Springs. The Galerie became such an attractive addition, we prevailed upon JOE LINSK to continue with this second Galerie at La Costa. LUCILLE NASKO the charming gal who has been displaying the paintings leaves us to return to the Palm Springs Galerie. We shall miss her, but in her place, we gain a very lovely lady from Rancho Santa Fe, DOROTHY MANNING. We hope many of you will stop by to visit Dorothy and to view the exciting paintings Mr. Linsk brought back from his recent European trip.

For those who have been away from La Costa during the summer, Fall seems to have beckoned them for a return visit to the Spa. The greatest ad in the world for any Spa is the glorious looking DOLORES DEL RIO. Her ever-youthful appearance has to be seen to be believed. Twice a year a group of Reno Jet-setters come enmasse to La Costa. MRS. PETER HUMMEL, MRS. E. L. CORD, MRS. COURTNEY CATRON and MRS. WILLIAM PEREIRA, Jr. This visit, the ladies will be joined later in the week by their husbands, MR. TOM MAY just completed a two week stay. The first week she had the company of MRS. KIRK DOUGLAS and was later joined by MRS LEW WASSERMAN, SENATOR GREEN of Illinois, MR. and MRS. WILLIAM R. WALLACE (Ina Claire) and THE CHARLES LUCKMAN'S are due in any moment.

On the right, Nancy Kiner chats with old friends Mr. and Mrs. Richard Todd and Mr. Grant Gannce.

Mrs. Bill Emmons, Mrs. Arnold Koblanz, and Mrs. Jim Dowling, display the trophies to be given at La Costa Country Club's 3rd Annual Invitational.

Mrs. William (Mousie) Powell presents the trophies to the winners "A" flight in the La Costa "Lucky" Tournament: Bill Rosenzohn and Sally Moore congratulate Irene Boylan and Bill Millikan.

MILBURN ROBERT HUTCHISON HEX MARKS THE SPOT

One needs only to look at the quality of the paintings being done by Milburn Robert Hutchison and recognize that here is a man doing exactly what he enjoys most. In his pleasant studio overlooking the San Elijo Lagoon just west of Rancho Santa Fe,

"Hutch" has been busy for the past several months on eleven paintings commissioned by Rohr Aircraft of Chula Vista. The subjects are Business Jet Aircraft for customers or potential buyers and were to be displayed at the National Convention of the Business Aircraft Association in Houston, Texas early in October. Such models as the Lear Jet, the Grumman Gulfstream and similar business or corporate Jets were done in Oils and portrayed in various flight attitudes. It is likely these pictures will be reproduced worldwide in aviation publications to illustrate the very latest in American and Canadian designs.

Hutchison joined Rohr Aircraft in March, '68 after working for Convairst for the past 24 years. He is now in the preliminary design department at the Rohr Chula Vista division doing conceptual illustrations. He and his artist wife Margaret recently opened their own Art Gallery, Hex marks the Spot, where they show their oil paintings, sand-castings and other works.

"The Bible Speaks to You" is a Christian Science radio series which is broadcast every Sunday at 7:15 A.M. over KOGO, at 7:45 A.M. over KFI and at 8:45 A.M. over KMPC. Oct. 13 "ONE ELEMENT OF CHRISTIAN HEALING"

Anyone who is seriously ill wants to be healed. Just as anyone having a nightmare wants to wake up. A sick person may try Christian healing as a last resort. And the Bible shows how spiritual awak-

ening really does heal serious illness. More than just a change of attitude, this awakening involves finding a new relationship to God—a new and deeper sense of identity.

Oct. 20 "THE HEALING OF HATE"

No one has to accept hate as hopeless. If hostility is being directed against you there's something you can do about it. Jesus told men to turn the other cheek. But this means being active and direct. It calls for distinguishing between hate and the person who seems to be hating. We can do this by looking past hatred to the true nature of man as always the son of God. Jesus must have done this when he forgave his enemies.

Oct. 27 "THE PRAYER THAT HEALS BROKEN RELATIONSHIPS"

Some young adults face problems in

getting along with others. Whether the problem is with a husband or wife, mother-in-law, or neighbor, it is not enough just to keep communication open. What's most needed is prayer that teaches us to live unselfed love. Then love becomes a real force in our lives. Self-centered concerns lose their hold on us. Relationships are improved. An example of how this happens is discussed on this program.

St. Peter's Episcopal Church in Del Mar has re-appointed Mr. Paul Downham from Los Angeles to the position of Organist and Choirmaster on his recent return from Los Angeles to his private music teaching practice in Del Mar and Rancho Santa Fe.

Mr. Downham, who graduated from London University, England, is already busy recruiting new members for the choirs although his appointment does not officially commence until October. He is anxious to build not only the usual adult and junior choirs, but a good boy's choir in the English tradition—he believes the purity of tone in boys' voices make them particularly suited to church music.

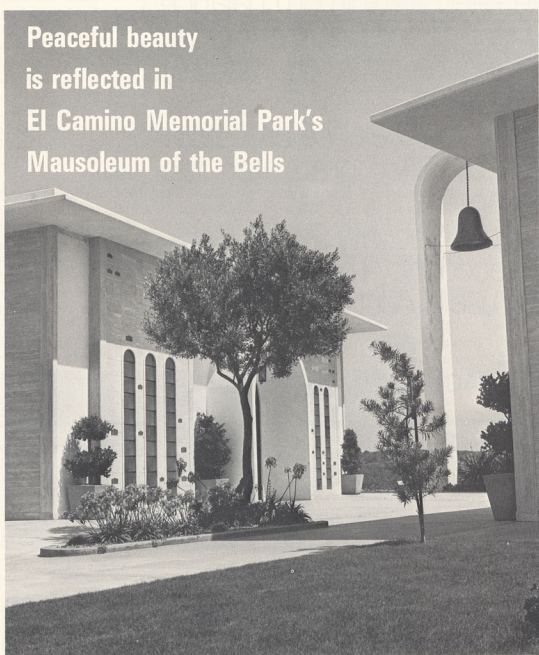

The choir rehearsal times have been changed and the senior choir now meets from 7:30 to 9:00 p.m. on Friday evenings. The junior girls meet at 9:00 a.m. and the junior boys at 10:00 a.m. on Saturday mornings.

Anyone who can sing or would like to learn, are very welcome to attend St. Peter's Church at these times or call the organist at 755-9265.
