DEDICATION OF THE O. REA MOWERY COMMUNITY SERVICE AWARD

Mr. O. Rea Mowery, patriot, outstanding citizen, community leader -- and friend. During the past 20 years, our Village and its citizens have been enriched by Rea's enthusiasm, love for people, great generosity and seemingly inexhaustible supply of caring and energy. Rea's involvement in community life includes Rotary, the Garden Club, Library Guild, Red Cross, Boys and Girls Clubs, Boy Scouts, RSP Youth, YMCA, Rancho Santa Fe Charities, Historical Society, Riding Club and the school. And, yes, he really is Santa Claus for the young -- of all ages.

Rea grew up in Pennsylvania and considers the YMCA, whose directors took the place of a father lost at age 10, a "guiding light" in his life. Always involved in "Y" activities, he planned to make the "Y" his career. Following high school, Rea worked on the Pennsylvania Railroad (as well as with the "Y"). Entering the Marine Corps in 1942, he came to San Diego, serving throughout World War II in the Western Pacific.

1945 was a memorable year in Mr. Mowery's life. He married Betty Willet, a San Diego girl, graduate of San Diego State College and a curriculum specialist with the San Diego Unified School District. The Mowerys' 4 children include daughters, Ruth, in Washington, Jane, Director of the Carlsbad City Pre-School, and sons, Malcolm, in the Air Force in Greece and Jerry, Lt. U.S. Navy. In 1945 Rea was released from active duty, commenced classes at San Diego State and was interviewed by a young "Y" Board leader, Mr. Stephen G. Fletcher. Steve, exercising his usual good judgment, employed Rea and Betty as directors of the YMCA Summer Camp.

Despite a heavy school and work schedule, Rea found time to continue affiliation with the Marine Corps Reserve. This dedication was rewarded in 1950 when he was recalled to active duty as a Warrant Officer during the Korean War. In 1954 the Mowerys decided on a career (one of many) in the Marine Corps. Nevertheless, Rea was a "Y" volunteer at each duty station from Indiana and Virginia to San Diego, Japan, Taiwan and the Philippines. While in Japan Rea and Navy Chaplain Donald Caughey met and, together with their troops provided a Christmas program, including clothing and food and toys for war orphans from the Yamanaka Orphanage. A small world.

A glutton for punishment, Rea's third tour of war duty was in Vietnam, concluding in Danang just 4 days before commencing work as Building Commissioner and Assistant to the Manager of the Rancho Santa Fe Association. Rea was Manager of the Association (on two occasions), Manager of the Rancho Santa Fe Savings and Loan and is now Vice President, Public Relations of Rancho Santa Fe National Bank.

It was a lucky day for this community and its residents when Rea Mowery arrived. Our lives have been enhanced and made happier, the community has moved forward, newcomers welcomed and builders of earlier years recognized. There is a special zest for all activities in which Rea has been engaged -- and how many there have been! Few are aware of the many amenities we enjoy because of Rea's leadership, involvement and magnificent ability to create and sustain community spirit.

It is well beyond time for this superb humanitarian to be recognized for his ongoing love for and dedication to others. And so this evening, The Rancho Santa Fe Parent Teachers Organization dedicates its Community Service Award. The name of this award will be "The O. Rea Mowery Community Service Award" - to be presented annually to a member of our community. Mr. O. Rea Mowery, on behalf of all you have served and worked with, on behalf of those you have visited and cared for during times of sickness and hardship, on behalf of those whose sorrow you have shared at a time of loss, we thank you -- we salute you, Mr. Rancho Santa Fe. - R.R.
