April 4, 1990

Dear RSF HISTORICAL SOCIETY, INC. MEMBERS:

The Rancho Santa Fe Parent Teacher Organization is pleased to announce that Wednesday, May 23, 1990 has been designated as Rea Mowery Day in Rancho Santa Fe.

The festivities will commence on the Village Green with a Marine Band concert and program at 11:00 a.m. Rea has been an important member of all our organizations and we hope you will publicize this event to your membership. In addition, we are seeking special photographs of Rea and would appreciate your contacting us as soon as possible if you have any.

Following the program in the park, which is free, there will be a luncheon for Rea in the Garden Room of The Inn. A flyer will be coming in mid April regarding the luncheon. Space is limited at The Inn for lunch and tickets will be on a first come first serve basis.

If you would like more information, or have ideas or memorabilia to share, please contact us.

Sincerely,

Alyce Ashcraft
