Whereas the Alisc School District of San Diego County has filed a petition with the County Superintendent of Schools requesting certain changes of school boundaries, and

Whereas it is our opinion that the said proposed change of school boundaries would inure greatly to the benefit and general welfare not only of the districts affected but of San Diego City and County as well by reason of its providing necessary and proper school facilities for the many investing settlers who have been and are being attracted to the widely advertised and highly developed Rancho Santa Fe,

Therefore, the undersigned tax payers and voters, residing in Rancho Santa Fe and vicnity respectfully petition the Honorable Board of Supervisors to grant said petition for change of boundaries.
