The reasons for petitioning for this change are as follows:

Mr. Wiegand, Herrmann Bumann and Lewis Weller the main petitioners of this say it is impossible to send our children to Aliso in the rainy season while they can always be sent to San Elijo School located at Olivenhain, which at the same time is also our post office and nearer for our children, besides having better roads, but the main object is we would like our children going to a good school and the San Elijo School is up to higher grades than the Aliso.
