

HOW TO CODE with LIFE on the RANCH or ...

A FUNNY THING HAPPENED on the way to JONATHAN'S 7:30 MARCH 26, 27, 28, 29

February 26, 1981

Dear Mr. and Mrs. Ira Carlin,

As you probably know, our Rancho Santa Fe Elementary School is feeling the pinch due to cutbacks from the State of California funding. Several programs were either eliminated or reduced in scope this year. Rancho Santa Fe School does not have a Music or Art teacher due to these cutbacks nor will they have them in the future unless we all help.

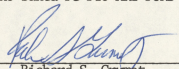

A musical revue produced by Jeff Brown is being presented by parents, students and teachers in an effort to remedy this situation. However, we can not accomplish this by ticket sales alone. We are hoping to raise at least \$35,000 for a two year program through donations to the school to be placed into a separate fund for a part-time music and art teacher. These funds will be tax deductible and will escape the hands of the State of California by our direct PTO payment to the school.

There are approximately 440 students in the elementary program at this time. If each parent would give \$50.00 or more per child in attendance at Rancho Santa Fe, we would raise at least \$22,000. We sincerely hope you agree that a privately funded 2 year program donated to the school and tax deductible is a worthwhile investment in our children.

Please send your check made payable to R.S.F. PTO ART FUND

Thank you for your help.

Sincerely,
Rancho Santa Fe PTO ART FUND
