Executives: Cynthia Kronemyer, Leslie Binder, Carol McLaughlin, Diane Jaffari, Patti Harmer, Ann Sergott, Susan Whiting **Weather Girls:** Susan Magee, Holly Denton, Mary Cowley, Kristen Brown
- Scene 17** **Christmas Finale** **All Cast**

Reprise: "We're a Team"

WE'RE A TEAM

We're a team, we're a team, if you know what we mean,
We're together like one two three go.
We are stuck like glue to report to you,
Just like Manny and Jack and Moe.

We are all musketeers, all stooges all cheers,
Together wherever we go
But whatever we've got we will share on the spot
To friends we know.

Friendship has its own rewards,
Kind of like nails hold together the boards.
Living each day in a way to include each other.
Give the most of yourself,
Put all your differences on the shelf,
Who is man today that he can't get along when he works or plays.

We're a team, we're a team, if you know what we mean,
We're together like one two three go,
We are stuck like glue to report to you,
Just like Manny and Jack and Moe.

We are all musketeers, all stooges all cheers,
Together wherever we go.
But whatever we've got we will share on the spot
To friends we know.

Friends all stick together through
Times when there's plenty and times that are few.
Ready to help out a friend at a moment's notice.
When I say, "Yes" to you, somehow I'm better the more I do.
What is life today, but a short episode where we find our way.

We're a team, we're a team, if you know what we mean,
We're together like one two three go.
We are stuck like glue to report to you,
Just like Manny and Jack and Moe.

We are all musketeers, all stooges all cheers,
Together wherever we go.
But whatever we've got we will share on the spot,
To friends we know.

Friendship stays through thick and thin,
Even when losing or times that you win,
Whether it's now or it's yesterday or tomorrow.
Think of friends, always first.
Don't let your dreams about goodness burst,
Time will slip away, but the thought that you've had is here
To stay, here to stay, here to stay, here to stay, here to stay...

O. REA MOWERY COMMUNITY SERVICE AWARDS

The O. Rea Mowery Community Service Award is presented to those individuals whose contributions to the life of our Village and its citizens best exemplify the uncommon standards of community service of the man in whose name the award is presented. This year it is our privilege to recognize two such citizens, Mr. James A. Fox and Mrs. Marion M. Lindburg.

MR. JAMES A. FOX

Rancho Santa Fe is grateful for this opportunity to recognize the contributions of one of its finest citizens, James A. Fox. A resident since 1957, Mr. Fox has done much to provide the amenities from which this very special community benefits now--and will continue to benefit in the future. Jim has been an active leader and participant in many community organizations, including the Rotary Club, The American Red Cross, Rancho Santa Fe Charities, Scripps Hospital and the Rancho Santa Fe Library. From 1957-1980, Jim provided leadership and direction for the highly esteemed and much appreciated Rancho Santa Fe Fire Department. The first ambulance/emergency vehicle for Rancho Santa Fe was constructed under his direction in 1966 and, in that same year, the first paramedics were brought into service here. During ensuing years, the Rancho Santa Fe Fire Department has continued to be noted for its excellence and for the breadth and scope of its contributions to the citizens of our Village and Fire District. The security patrol system, including computerized communication and the first 911 emergency number, was designed and developed by Chief Fox. The concept of area wide fire support services was also conceived and encouraged by this outstanding citizen-leader. Jim and Pat Fox have two sons and three grandchildren. Jim, for consistently placing service above self and, in particular, for your many contributions to our community and its citizens, we present you with the 1989 O. Rea Mowery Community Service Award.

MRS. MARION M. LINDBURG

The grace, thoughtfulness, talent and generosity of Mrs. Marion M. Lindberg are reflected in the high regard with which she has been held in our community for over fifty years. The results of her efforts on behalf of the Garden Club, the Village Church, the Library Guild, Country Friends, the Rancho Santa Fe Association and the Historical Society are seen in the vitality and success of these organizations and their members today. Marion helped create each of these organizations and has served as the president or on the board of directors of each. She twice served as a member of the Art Jury of the Rancho Santa Fe Association and on numerous Association committees during early years on the Ranch. As a founding member of the Rancho Santa Fe Library Guild, she helped provide the lovely facility which our residents today enjoy. Active in the life of her church, she and her husband helped organize the Village Church and contributed the manse in which the minister resides. Yes, Marion has brought about uncommon benefits for all of us and for those served by each of the above named organizations. In all dimensions of life, Marion Lindberg serves as a grand role model. Marion, you give us much for which to be grateful--and we are. To you, with gratitude, we present the 1989 O. Rea Mowery Community Service Award.
