Dear Mrs. Van Liew:

Thank you for your inquiry about accommodations and rates at The INN. I am enclosing our latest brochure outlining our facilities and rates.

For a family of four, two rooms would be a minimum of \$41 per day in our Garden Cottages. This would give you a twin bedroom with stall shower and a connecting bed/living room (with studio beds) full bath, kitchenette and patio.

Connecting rooms in other cottages would average from \$46 to \$58 depending upon the size and location. These would not have a kitchenette, but would have a Wet Bar in most instances.

Sometime when you are down here visiting your parents, you may wish to drop by and look at some of the types of accommodations we have available. Most of the families with younger children prefer the Garden Cottages.

Looking forward to the pleasure of meeting you sometime in the near future, I am

Yours very sincerely,

Peggy Beatty
